## Arrival & Parking Information

### Parking Options:

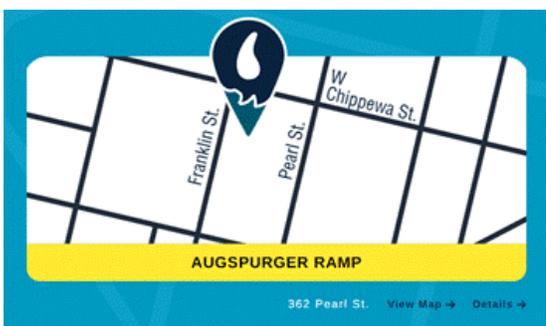

The Buffalo office is located at 50 Fountain Plaza, Buffalo, NY 14202, on the corner of Main and Chippewa.

There is street parking available on Pearl St. and Chippewa St., but it is metered until 5pm on weekdays. For guests visiting on a weekend day or arriving at 5pm or later, it is recommended to grab a street parking spot.

Guests may park in the **Premium Parking** garage that is underneath our building. The entrance to the garage is on Pearl Street, between Huron and Chippewa. Look for the “40-50 Fountain Plaza” parking signage. After parking, take the elevator or stairs to the main lobby. Proceed to the Lippes Mathis LLP Welcome Center to check in with the Concierge and obtain parking validation. **License plate number is required for parking validation.** Parking validation is available for this garage only.

There is also a nearby surface lot at the corner of Pearl and Chippewa Streets with a flat parking rate of \$10.

The **Augspurger Ramp** is located on Pearl Street, directly across from Fountain Plaza. This garage offers hourly parking for a fee and is a convenient alternative. There is a tunnel on the third floor of the ramp to access Fountain Plaza directly, but it requires a building pass. Without a pass, guests can exit at street level and enter through the building’s main lobby.

### Arrival

Upon entering the lobby at 50 Fountain Plaza, guests should proceed directly to the Lippes Mathias Welcome Center, located in the first-floor lobby area. The Concierge will assist with check-in and provide a visitor pass. Guests may then take the elevator to the designated floor, where an attorney or staff member will meet them.
