

Five Rivers Council, B.S.A.

3rd Virtual “Pigeon Plop” Fundraiser

Saturday, Oct. 5th at Camp Gorton’s Parade Field

Hosted by the Shooting Sports Committee

We hope everyone will “PULL” together for the shooting sports programs offered to all the Scouts in the council. As always, the proceeds go directly to support the council’s financial shooting sports needs.

THE GAME - Similar to Cow or Horse Plop:

The parade field at Camp Gorton will be divide into 225 squares measuring 10’x10’ each. Each square has its own dollar value. A “wobble” throwing machine launches 25 clay pigeons from each of the 4 corners for a total of 100. The squares with the “most pigeons” in each of the 7 sections, wins the amount listed below with one VERY SPECIAL center square.

At 2 pm. on Saturday, October 5th, the “Pigeon Plop” fundraiser will be conducted. Winners will be announced on the council web site and Facebook page. Prizes are awarded as outlined below and you **DO NOT** need to be present to win! If the winning square/s were **NOT** purchased, then the Shooting Committee keeps the money!

PAY OUTS - Are a Percentage % of the total number of squares sold per color, i.e. - All 68 Purple Squares must be sold for the total pay out to be \$200.00. Multiple winners in the same square will share the winnings. If no one has a winning square, the proceeds will be kept supporting future shooting programs. Download the full grid pattern from the attachments section of :

<https://scoutingevent.com/375-PigeonPlop>.

Color	Location	Cost Per Square	Pay Out If Color is Sold Out
