

WELCOME TO CUB FAMILY CAMP!

We are glad your family has decided to join us for the weekend. Our staff has put together a variety of cool projects and activities for your enjoyment.

Each program area will have a menu of activities that you can choose from. All activities are family friendly and age and rank appropriate. Some activities will be self directed and others will be staff lead. Of course staff will be available to help you and your cub scout as needed.

WELCOME!

CUB FAMILY CAMP 2023
