Allegheny Highlands Council Boy Scouts of America Cub Scout Summer Camp Programs 2024

A summer camp experience for cub scouts is both the culmination of a year-round program, and a motivator for both the boy and parents to continue with cub scouting through the next year. Every Pack should make plans now to deliver on our promise of an outdoor program. It's important to identify and make parents aware of the person who will coordinate the Pack's camping plans.

When a Scout and their family join cub scouting, they are joining an organization that values the fun and excitement of experiencing the outdoors. Each Cub Scout Pack needs to provide its Scouts with fun, safe, and positive outdoor experiences. This may be a cub scouts first organized overnight outdoor activity.

Camp Merz offers a variety of opportunities to fulfill a parents and Scouts' need for fun, excitement and adventure. They provide a natural setting to be a part of the magic of scouting in the great outdoors. We have outlined the different programs in this booklet. Our camps programs are rank (age) appropriate for your Scouts. If you should have any questions about any of our Cub Scout camping opportunities or would like to have someone visit your Pack to make a presentation, please call the Scout Service Center at 716-665-2697.

Leaders, use your resources to help at camp!

Did you know you do not have to be a leader in the Pack to come to camp? Any interested adult can act as a leader at camp. **You don't have to come every day;** you can make arrangements with other leaders/parents in your Pack to split up the schedule so there is always leadership for your Scouts. But we're sure you'll want to stay all weekend. Camping is a great way to spend quality time with your child. You don't need to know anything about camping. Our staff will have programs all day and most evenings for you and your cub scouts to enjoy. Think of it as a vacation in the woods that you don't have to plan! Want to be a kid again? Come to camp just for the adventure!

What will we do at camp?

We offer handicrafts, nature, archery, BB guns, field sports, boating, fishing, and swimming. Cub Scouts can only earn requirements for the Arrow of Light for archery and BB guns while at camp.

Webelos resident camps will also offer special programs designed for Webelos to learn team building and scouting skills to help prepare them to become boy scouts. While at camp, Webelos will fulfill many of the Webelos outdoor requirements and electives. When a cub spends time at camp they will get as much program as they would get attending 62 den meetings. That's right, 62!!

Accommodations

Each campsite has tents on platforms with metal spring cots. We will do our best to provide mattresses for leaders, but we cannot guarantee that there will be enough. We DO NOT provide mattresses for Scouts, it's recommended to bring cardboard or a foam pad. **Each site also has at least one picnic table and one pavilion.** Each site has a latrine building and running water. **We cannot guarantee all leaders will get individual tents or mattresses.**
