

SUPPORTING A NEW GENERATION OF YOUTH THROUGH SCOUTING...

Allegheny Highlands Council, BSA provides fun and educational programs to more than 1,500 young people who participate in Cub Scouts, Scouts BSA, Venturing, and Exploring activities in our five county service area. The Council serves youth in Allegany, Chautauqua, and Cattaraugus Counties in New York, and McKean and Potter Counties in Pennsylvania.

Proceeds from the PINTwood Derby will advance the mission of the Allegheny Highlands Council, BSA: To prepare young people to make ethical and moral choices throughout their lifetimes by instilling in them the values of the Scout Oath and Law. The Allegheny Highlands Council, BSA is honored to host this race and grateful to our sponsors and Wicked Warren's for their partnership.

THE RACE

Rev up your engines and prepare for a day of excitement! PINTwood Derby is happening on Saturday, November 9th, 2024, at Wicked Warren's in Jamestown. The action kicks off with Competitor Check-In starting at 12:00 p.m., followed by the races at 1:00 p.m. This event is exclusively for those 21 and older, so gather your friends and get ready to race!

Whether you're a seasoned racer with a car ready to go or you're planning to build one from scratch, join us for an afternoon filled with competitive spirit, local craft brews, and the chance to take home the coveted PINTWOOD trophy. Dust off your old pinewood car or let your inner craftsman shine—either way, it's time to prove your derby skills and earn some serious bragging rights!

Not racing? No problem! Come by and enjoy the action—general admission at the door! Grab a drink, cheer on the racers, and soak up the festive atmosphere.
