

Camp Merz

M.O.O.S.E

PROGRAM

What is M.O.O.S.E.

M.O.O.S.E is an older scout opportunity that allows scouts that may be looking for the next step in camp. Designed to be fun, active and give the scouts a higher level of activity.

For the 2025 season we are offering a full day program, morning advance scout program with the 3D printers, laser engraver and camp adventures. We also offer an afternoon off-camp adventure selected by the scouts that suits them, including a special outpost that comes with a dinner and breakfast.
