

Ready to Hit the Bullseye?

Start your **Archery Merit Badge** at MB Weekend, then come back at **Survivor Camporee** this summer to finish up!

We'll have open shoot style sessions, with instructors ready to help Scouts work on requirements or wrap up old partials!

The background image shows a large target on a wooden stand in a field. Three arrows are embedded in the bullseye. In the foreground, two archers are seen from behind, aiming their bows. To the right, a wooden quiver is filled with colorful arrows.

Whether you're brand new or almost done, this is your **shot—literally!**

JOIN US FOR ARCHERY FUN!

A large red arrow graphic pointing to the right, with a yellow and black arrow shaft and a white arrowhead.
