

What is Wood Badge?

Reflecting the best of nearly a century of Scouting experience, Wood Badge draws upon the most current leadership models used by corporate America, academic circles and successful organizations throughout the country.

Wood Badge training was begun by Baden Powell in 1919 as a way to insure that the leaders of Scout troops were properly trained. Since then Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders.

Wood Badge builds upon the best traditions and experiences of the Boy Scouts of America and also draws from a wide range of courses within and beyond the bounds of Scouting to present the latest in leadership theory and team development.

"Don't wait. I wish I had done this sooner!! The youth are waiting for the impact this course will have on them."

"The food was great!"

"This course far exceeded my expectations. I came with an open mind and heart and am taking away far more than I ever imagined."

"Take the course sooner rather than later. The lessons you learn can be used no matter where you are as a Scouter."
