**Camp Assessment Team Sign-Up Process:**

The Online Signup is now open to be part of the 2025 long-term camp assessments. NOTE: Do not sign-up for your own Council camp(s). Council teams supporting the assessment are organized by each Council. Contact your Council to assist.

The assessor signup sheet can be found at this link: <https://bit.ly/2025ncapz10>

Signup is done online or through the Assessment Team Leader. Note: This online system has the names of Council approved participants. Select the camp and dates for the team you wish to join. Enter your LAST NAME into the lime green area on the right side of the page. Only ONE name per field. (If your name does not come up, contact George Bacalles.) If a field is filled with a name, you must find a blank lime green field. If all fields are filled with names, then that camp team is filled, and no additional participants can be added. Any questions, please contact George Bacalles by email ([gbacalles@gmail.com](mailto:gbacalles@gmail.com)) or by phone (607) 426-5365 – cell phone - text also available, please put name in text).
