NO EXCEPTIONS

### CHECK-IN AND INSPECTION

Scouts will only be allowed to check -in at their designated rank check-in times. NO EARLY CHECK-INS WILL BE ALLOWED. This is to ensure that all ranks have sufficient time to check-in and that the staff will have enough time to stage and record the participant's information.

If there is a mitigating circumstance that will not allow you to check-in at your designated time, please contact me directly at [truman.mortillaro@scouting.org](mailto:truman.mortillaro@scouting.org) to make arrangements.

- Cars will be inspected using the methods / gauges outlined in the 2024 Seneca Waterways PWD rules.
- Cars must be graphited before they are weighed.
- Cars that do not pass inspection will be given the opportunity to make the necessary alterations needed to pass inspection. Please bring your own tools / graphite as none will be provided for you.
- Check-In / Inspection ends 15 minutes before the scheduled start of the race. All cars must be checked-in AND have passed inspection by this time.
- **Car Impoundment and Inspection:**  
Cars impounded by the pack for the district race must pass inspection before the race (refer to the *Seneca Waterways Council Pinewood Derby Rules 2025*). If a car does not pass inspection, it will be allowed to race but will not earn any awards or advance to the Council Race.
- **District Championship Race:**  
Each 1st-place finisher in every rank will race again after the AOL rank race to determine the District Champion.
- Derby Marshal has final say if a car passes or fails inspection.

If you have any questions please feel free to reach out to me at [truman.mortillaro@scouting.org](mailto:truman.mortillaro@scouting.org) or [mmm0376@yahoo.com](mailto:mmm0376@yahoo.com).
