## CHECK-IN AND INSPECTION

Scouts will only be allowed to check-in at their designated rank check-in times.

NO EARLY CHECK-INS WILL BE ALLOWED. This is to ensure that all ranks have sufficient time to check in and that the staff will have enough time to stage and record the participants' information.

If there is a mitigating circumstance that will not allow you to check-in at your designated time, please contact me directly at [Oliris.Ramos@Scouting.org](mailto:Oliris.Ramos@Scouting.org) and/or Kevin Hill [classicscoutr@gmail.com](mailto:classicscoutr@gmail.com) to make arrangements.

- Cars will be inspected using the methods / gauges outlined in the 2024 Seneca Waterways PWD rules.
- Cars must be graphited before they are weighed.
- Cars that do not pass inspection will be given the opportunity to make the necessary alterations needed to pass inspection. Please bring your own tools / graphite as none will be provided for you.
- Check-In / Inspection ends 15 minutes before the scheduled start of the race. All cars must be checked in AND have passed inspection by this time.
- Cars that do not pass inspection will not be allowed to race. There will be no exceptions as the rules are posted and available for reference.
- Derby Marshal has final say if a car passes or fails inspection.
