CAMPOREE PROGRAM INFORMATION

All scouts will be put into new patrols (tribes). These tribes will be formed randomly by rank to make all tribes as equal as possible. We will make sure an AOL is with someone from their troop that is hosting them. Their first task will be to make a tribal flag, name and yell. The idea is to have scouts from different troops to meet other scouts that live close to each other and just might make a lifelong friend.

Events will be a head-to-head competition between patrols. some events will be scout skills and others will be just fun or some survivor classics. (We will need some adult help running these stations). There will be some new challenges and twist and turns this year.

Final tribal council: the top 3 tribes will make final council. The top tribe is automatically in final, the next 2 tribes will battle by fire to see who sits at final council. Then the top remaining tribes will vote for the sole survivor tribe They should consider scout oath and law when they make this vote.

SOME RULES:

- We will be camping on the Big Guys disc golf course. No scouts are allowed to go over to the RV campground.
- Buddy system works! Make sure all scouts have a buddy!!!
- Police all sites before leaving make sure you leave it better than you found it.
- Each unit should have med forms for everyone attending.

REGISTRATION – by paper or online!
