

Massawepie Scout Camps

October Odyssey 2026 – Fire Towers!

October 9 – 12, 2026

Camp and Enjoy Massawepie in the Fall

Hike to one or more of the historic Adirondack fire towers, many located within one hour's drive from camp. There's a fire tower hike for almost everyone. Trails to the fire towers range from Very Easy to Difficult.

Programs are planned on fire tower history, forest fire safety, and Leave No Trace. Also, some of your favorite Massawepie activities will be available!

Camping will be at Pioneer sites, firewood available for purchase. This year we are providing five meals on Saturday and Sunday: two breakfasts, two bag lunches, and a dinner.

To help with planning, there is a list of fire towers with trail information on the Black Pug registration page.

Early-bird rates for October Odyssey 2026 are:
\$55/Scout and **\$35/leader**; after September 18: **\$75/Scout** and **\$55/leader**. Scan the QR code to register on Black Pug.
