HERE ARE THE STATIONS YOU CAN EXPLORE!

November 7, 2026 – 9:00 ‘til 3:30 – LDS Stake Center, Palmyra NY

Training – Discuss all your training requirements with our Council Training Chair.

Scoutbook – Bring your Scoutbook questions and have them answered!

Safeguarding Youth – Bring your questions to our Council Safeguarding Chair.

Community Service – Learn the benefits of unit monthly community service!

Disabilites – Learn about how Scouting is for everyone!

Cub Scout Help Desk – bring all your Cub Scouting questions and we'll get you the answers. Our experienced Cub Scout Leaders can help with everything from registrations to Pinewood Derbies to Blue & Gold Dinners to crossovers. Great for new Cub Leaders and parents!

Merit Badges – Our Council Merit Badge Dean will answer all your MB questions.

Religious Awards – our Council Chair will be there to get you started.

Woodbadge – learn about Scouting's premier adult training course.

NYLT – learn the path from ILST to NYLT.

Order of the Arrow – Get all your questions answered from our Council Officers.

Preparing for CSAC – get your questions answered on Cub Scout Adventure Camp.

Preparing for Massawepie – get your questions answered on Massawepie including Treks.

Preparing for Tuscarora – get your questions answered on Tuscarora.

Preparing for Philmont – get your questions answered about Philmont.

Birchbark Expeditions – learn about canoeing in Algonquin and the Adirondacks.

Preparing for a Trek and Leave no Trace – Bring your questions because there's lots to learn here!

OKPIK and ATTAVIK – learn about cold weather camping training and get some hands on experience with the equipment used.

Range and Target Activities – Learn what our Council has to offer and learn what is allowed at the various age levels of Scouting. Try your hand at our Council's Hoverball Archery Range!

Camp and Backpacking Stoves – get some hand on experience with this equipment.

Boots, Socks and Foot Care – Your feet get you in and out of the backcountry. Learn how to properly care for them!

How to Pack a Backpack – learn the techniques for this critical skill.

Water Purification – learn how to safely purify water in the backcountry.

Astronomy – the Rochester Astronomy Club will be here to literally open new worlds for your unit!

Knots – Impress you Scouts with the knots you will learn here and leave with a lesson plan to take back to your unit.

Dutch Oven Cooking – Ongoing demonstrations all day!

Rope Making – get hands on experience making rope. This is a great unit activity!

Primitive Fire Starting – experience starting a fire with flint, steel, char cloth and tinder!

Knife Sharpening – bring your dull pocketknife with you and learn the proper way to sharpen it.

Map and Compass – learn how to use map and compass and topographical maps.

GPS – learn how to use a GPS unit and learn about geocaching!

Model Rocketry – learn about area resources to get your unit involved in this activity.

JOTA/JOTI – Learn about the Jamboree on the air and the Jamboree on the internet.
