## What to Expect From CRC

CRC is a non-stop three-day adventure packed with quality Scouting programs, events, challenges, and rewards for Cub Scouts and parents alike. Each day is jam packed from 7am – lights out with traditional Scout activities.

**Opening Night** is a round robin style event on the first night that includes games and crafts and is held in the fields between the Gaga pit and bouldering wall.

**Vespers** is a 20 minute non-denominational inspirational talk available on a voluntary participation basis on the second day after dinner in either the Lakeside or Forest Chapel.

**The Campsite Gateway Competition** is an opportunity for each unit to design and build a campsite entrance in line with the year's theme.

**The Campsite Cookoff** is an opportunity for each unit to cook up something for the staff. Staff walk around camp after dinner on the 2<sup>nd</sup> day and sample what the Scouts have to offer. Everything from s'mores to Deep-Fried Turkey Legs is fair game.

**The Honor Site Award** is a carryover from Boy Scout Camp that rewards the unit with the cleanest and best-kept campsite.

*All rewards for units participating in these competitions are given out at the closing campfire and participation in any of these competitions is completely voluntary.*
