

Can You Go The Distance?

October 7-10, 2022

Massawepie Scout Camps

In 2015, Massawepie issued a challenge to put a Scout group on the summit on top of every 46 Adirondack High Peak...and we rose to it!

This October, Scouts will face the *Massawepie Summit Challenge*. During the weekend of October 7-10, Scouts at Massawepie will collectively hike **1500 miles!** Every mile hiked by every Scout and leader counts – whether it's one mile on a trail at camp or the 50 mile hike around Cranberry Lake. Your hike will help us reach our goal.

Join us in taking on the challenge! The cost is \$35 per Scout and leader for the weekend. This includes your campsite, a participant gift, and two meals (other meals are on your own). In camp programs will be available on Sunday.
