

Philmont Deluxe and Terrace Tents

Price of the tents is for the weekend. When choosing a tent upgrade, ONE person will pay for the tent. They in turn can recruit roommates and make their own arrangements for sharing the cost. Married couples and immediate family members may share a tent. Otherwise YPT must be followed by gender and age when having roommates.

Deluxe Tents: Sleeps 5-6 \$200

These tents offer room for 5 – 6 with electricity and a ceiling fan. In the main room is a queen-sized bed and in the extra room are 2 sets of bunk beds. The Luxury Deluxe Tents are a short walk away to our shower house, where individual locking units contain a shower, sink, toilet, mirror, and power outlets.

Philmont will provide upgraded bedding and towels during your stay in the Luxury Deluxe Tents. Room cleaning services will not be provided during the duration of your stay. You may bring extra blankets or pillows for your comfort.

Terrace Tents: Sleeps 2 \$60

These 10' x 12' terrace canvas wall tents are on a wood or concrete platform and contain a pair of twin beds featuring metal-spring frames and mattresses, chairs and an electric outlet. The tents are a short walk to the Shower houses, where individual locking units contain a shower, sink, toilet, mirror, and power outlets.

Philmont does NOT provide bedding for the canvas terrace tents. You will need to bring bedding, linens, and towels from home.
