When: Saturday, March 1, 2025

Congratulations and welcome to the 2025 Cardinal District Pinewood Derby. My name is Chris Harmon and I am the primary contact person for the Cardinal District Pinewood Derby this year. You can reach me at 919-806-9155 or via the District PWD email address at:

On behalf of the entire Cardinal District Program Committee, thank you for your participation in this event.

This Pinewood Derby represents the best cars from each of the Cub Scout Packs that make up our district. The derby will take place on Saturday, March 1, 2025 at the Pine Springs Preparatory Academy Elementary School Gymnasium in Holly Springs, NC. This event is for the Scouts – not the parents. Packs are responsible to make sure that each Scout was involved in the design and construction of their car. Former Scouts remember this race as either the best or worst part of their Cub experience, so make sure your Scout focuses mostly on the fact they made it to this event and not on whether or not they win. This event will have races and judging on six levels: Lion, Tiger, Wolf, Bear, Webelos and Arrow of Light. Each pack should send its top three speed finishers in each of these levels. In addition, the “Best Design” and “Most Original” cars for each level will be judged, so please also send one car in each of these categories from each Lion, Tiger, Wolf, Bear, Webelos and Arrow of Light level. In total your pack may send eighteen (18) speed representatives and twelve (12) design representatives. Descriptions of “Best Design” and “Most Original” categories can be found in the Official Car Rules. This should help you decide in which category these cars should be entered. Entrants may not compete in both speed and appearance (i.e., Most Original and Best Design).

We hope to keep to the following schedule and will communicate any changes if needed.
