**FUNDAMENTALS Part 1: Science of Training** is designed to introduce teaching techniques and skills to Scouts and Scouters. The strategies presented in the training have been shown to improve teaching and learning and will be of value, not only in your role in Scouting but also in the ways you communicate with others. Intended for adults and youth 14 y/o and up, this introductory course reviews Scouting America's training methods and prepares you for leading advanced training.

Part 1 is the prerequisite to Part 2: Craft of Training, (formerly Trainers EDGE) where trainers enhance their presentation skills in a hands-on course. \*Fundamentals 1& 2 are needed to staff NYLT or Wood Badge, and is recommended for leading District or Council training courses.

**THIS FUNDAMENTALS PART 1: ZOOM COURSE IS FREE**

Registration Deadline January 19<sup>th</sup> 2025.

**Course Director: 910-286-4508**
