Welcome to Camp Durant!

Dear Scouts and Scouters,

Welcome to the 2027 Summer Camp season at Camp Durant! This year, we proudly celebrate 61 years of Scouting at the Occoneechee Scout Reservation.

At Camp Durant, we believe the possibilities are endless, and we can't wait to see what you accomplish while you're here. Whether you're returning for another summer or experiencing camp for the first time, this is your chance to learn, explore, challenge yourself, and make memories that last a lifetime.

Our program continues to grow and evolve to bring you the very best that Scouting has to offer. Our challenge to Scouts and leaders alike is simple: *try something new!* Take that merit badge you've always been curious about. Challenge yourself to improve your swimming. Step outside your comfort zone. Make new friends and swap stories with Scouts from not just North Carolina but other states as well.

Come ready to learn, stay curious, and be the best version of yourself you can be. We're excited to welcome you and see all the adventures waiting for you.

SEE YOU AT CAMP!!

CAMP SITE AVAILABILITY

Each campsite can accommodate approximately 40 people. If your troop has a preferred campsite, please indicate your choice on the Campsite Reservation Application. While we will make every effort to honor your request, campsite assignments are based on overall demand and troop size, so more than one troop may be assigned to a site.
For the safety and comfort of everyone, youth and adults will camp separately, with two individuals per tent, in accordance with Safeguarding Youth Training standards.
Leaders who would like additional space are encouraged to bring their own tents.

CAMPSITE AMENITIES

Every campsite at Camp Durant is designed with comfort and convenience in mind. Each site features a state-of-the-art shower house with flushing toilets and hot water.
Campsites are divided into A and B sides, each with its own shelter. Every shelter is equipped with electricity, and several are ADA-accessible.
All campsites feature permanent-frame tents set on wooden platforms. Each tent includes two military-style cots, providing a comfortable and ready-to-use camping setup.
Scouts and leaders who use a CPAP machine or other essential medical equipment are encouraged to bring an extension cord to ensure they have convenient access to power.

CAMPSITE ARRANGEMENT AND ACCOMODATIONS

Troop leaders are responsible for ensuring all sleeping arrangements comply with current Scouting America *Safeguarding Youth* and the *Guide to Safe Scouting* policies especially policies for tenting and privacy. Campsites must be arranged to provide appropriate privacy for youth and adults, as well as separation by gender.

We plan tent assignments on a two-person-per-tent basis. If you require special accommodations, additional space, or other sleeping arrangements, please let us know before your arrival. You are welcome to bring your own tents for additional privacy or personal preference.

General Camp Information

Weather Impact on Program Activities

Camper safety is always first priority. Occasionally, camp program and activities can be impacted by weather events. In particular, the aquatics, ranges, and climbing areas are often the first to be impacted. Thunder & lightning in the vicinity of camp can cause us to “delay” or “cancel” these activities by at minimum 30 minutes per safety guidelines.

In the event of severe weather, camp leadership will execute safety protocols to ensure all campers and leaders are in safe locations. If necessary, all campsite shower houses are perfect locations to seek shelter from intense wind or storms. If the camp siren sounds, all troops are to report to the assembly area by the Grand Lodge and follow directions from camp leadership.

Contacting Scouts at Camp

There is nothing more special than receiving a letter from home at camp. We encourage all parents to write. A handwritten letter means much more to a young Scout than an email. Mail can be sent to the following address and include the following:

Emails will be printed out and placed into the Troop Mailbox. Scouts will not be able to reply. Parents should include the Scout’s Name & Troop Number in the subject line. Text emails only please, no pictures or memes.

ADULT LEADERSHIP

WORKING FROM CAMP

For those leaders who cannot take the full time off and must still work remote, we have designated the Beluga Club as the leader ONLY lounge. The Beluga Club is equipped with multiple workstations, and self-serve coffee/tea. If there are reasonable requests to be met, please contact the camp administration team. Do note that not all requests can be met and the Camp Administration reserves the right to deny unreasonable requests. The Beluga Club will be available for use outside of the few hours that leaders meetings and SPL meetings take place.

TWO-DEEP LEADERSHIP

All *Safeguarding Youth* and *Guide to Safe Scouting* policies apply. All units must have two registered adult leaders over the age of 21. If you have a female troop or a family troop with girls, you must have at least one female adult leader 21 or older.

We appreciate you!

We know that Summer Camp is possible because of your love of Scouting, your personal sacrifice of time and money, and your desire to improve and advance the lives of the youth in your charge.

ADULT LEADERS' ROLE IN CAMP

As an adult leader, your role is to:

- Help kids have fun
- Be a role model
- Monitor behavior
- Ensure the safety of the troop
- Support the youth leadership of the troop
- Reinforce the Scout Law & Scout Oath

ALL ADULTS ATTENDING MUST BE REGISTERED MEMBERS OF SCOUTING AMERICA, HAVE CURRENT *SAFEGUARDING YOUTH TRAINING* AND ADHERE TO THE *SCOUTER CODE OF CONDUCT*.

Camp Durant has password protected internet access at all major facilities (Sullivan Center, Administration Building, Grand Lodge, and STEM Center).
If needed, *The Beluga Club* is the designated location for leaders to be able to work from camp. Each Scoutmaster will be issued a password in their check-in packet.

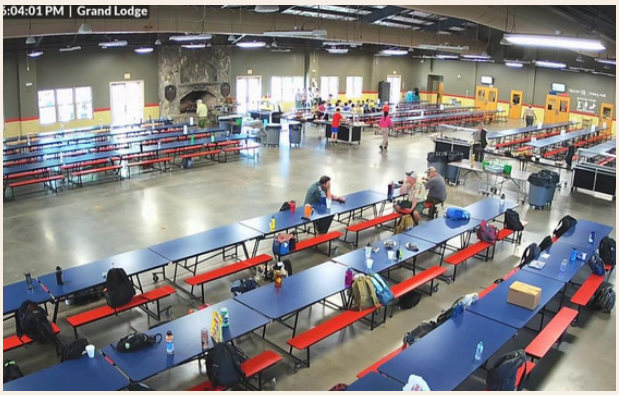

Internet access is via satellite and the weather can effect connectivity.

Camp Attire

We encourage your to wear your field uniform for dinner, campfire, & when participating in a flag ceremony.

DAILY WEAR SHOULD BE IN GOOD TASTE FOR EVERYONE.

GENERAL CLOTHING GUIDELINES

We ask that all Scouts consider the following when choosing clothing for their time at camp:

- Respectful Choices: Avoid clothing with words or symbols that could be seen as offensive, including anything political, violent, sexual, or promoting disrespect toward any group. A great rule of thumb is to rock out in your Troop shirts and other Scouting shirts! Safety First: Choose clothing and footwear that is safe for the activity. For example, wear clothes that will protect you from the weather or won't get in the way of any equipment.
- Some classes may have clothing requirements/restrictions (i.e. climbing, ATV, and the forge).
- Each troop is responsible for enforcing its own clothing policy.

FOOTWEAR

For safety, all campers must wear closed-toe, closed-heel shoes while walking around camp. Open-toed shoes are welcome in your campsite and at the aquatics area. A Scout is always prepared, so be sure to pack an extra pair of shoes in case of emergencies or wet footwear!

SWIMWEAR

Camp Durant follows Scouting America's recommendations for swim wear, which states "swimwear should be secure, modest, clean, and designed specifically for swimming. For extra sun protection, campers may wear a rash guard or T-shirt as long as it's safe for the activity."

Trailblazer Program

1st Year Camper Program

The Trailblazer Program helps Scouts develop essential skills for the ranks of Tenderfoot, Second Class, and First Class through hands-on learning, practice, and fun challenges.

Each morning, Scouts work on rank requirements, learning through demonstrations, patrol activities, and friendly competitions that put their skills to the test.

While Scouts cannot complete all requirements for these ranks in a single week, Trailblazer staff will work hard to help each participant build confidence and proficiency in as many skills as possible. The program also allows time for merit badge classes, ensuring Scouts enjoy a well-rounded Camp Durant experience!

Please Note: The Trailblazer Program is not an advancement program. Scoutmasters are responsible for reviewing and signing off on rank requirements. A list of the requirements covered will be included in the troop's check-out packet.

Trailblazer Requirements Include:

Tenderfoot	2nd Class	1st Class
T3a, T3b, T3c, T3d, T4a, T4b, T4c, T5a, T5b, T5c, T7a & T8	S1b, S2a, S2f, S2g, S3c, S3d, S5a, S6a, S6b, S6c, S6d, S6e, S8a, S8b, S9a & S9b	F1b, F3a, F3b, F3c, F3d, F5b, F5c, F5d, F6b, F7a, F7b, F7c, F7d, F7e & F7f

ATV Program

Experience one of the unique opportunities available at Camp Durant, one of the few camps in the US that offers an ATV program. Led by certified ATV Safety Institute (ASI) instructors, this exciting program begins with a 4.5-hour riding session in the training field, where participants develop and refine their riding skills before advancing to the trails.

Safety is our top priority. Scouts must demonstrate the necessary riding skills, control, and discipline to progress. Participants who do not meet the required skill or safety standards will be removed from the program. ASI instructors reserve the right to determine each participant's readiness to advance.

Cost: **$25** per participant, in addition to regular camp fees.

Requirements:

- Scouts must be 14 years or older at the time of camp
- Participants must wear long sleeve shirts, long pants, and boots that cover your ankle to ride
- Camp will provide an ATV, helmet, gloves and goggles. All safety equipment is required to be worn at all times while riding.

Merit Badge Program

MERIT BADGE REGISTRATION

Online registration for merit badges and other classes at Camp Durant opens **April 1** through our registration system, Black Pug.

Important: Scouts must be paid in full before selecting merit badges or classes.

We strongly encourage all troops to register for merit badges and classes before arriving at camp. Troops may adjust their Scouts' schedules until one week before their scheduled camp week. Some sessions have limited capacity to ensure a quality learning experience, so waiting until camp may mean missing out on popular merit badges and classes.

Once a Scout is registered for a merit badge or class, it is assumed that they have Scoutmaster approval to participate.

Camp Durant reserves the right to adjust schedules and counselor assignments as needed to meet demand. Register early to help your Scouts secure their preferred classes and make the most of their week at camp!

REQUIREMENTS

Certain merit badges offered in camp may require work either before or after camp in order to be completed. These requirements are noted in the detailed matrix on merit badges and need to be signed off at the troop level. **Camp Durant will only sign off on requirements completed at camp.**
** Information on how to provide this information to counselors prior and after camp **

BLUE CARDS

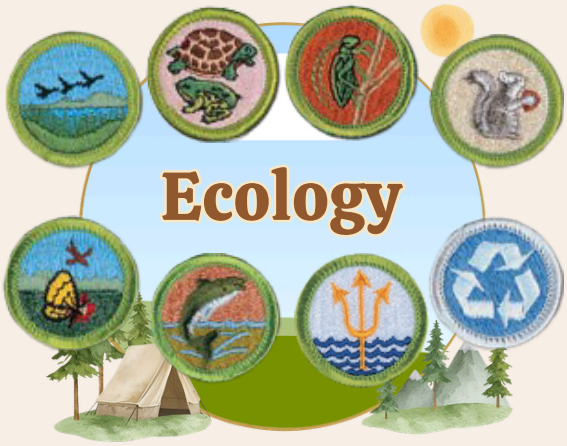

Camp Durant does not use traditional merit badge blue cards. All merit badge progress is tracked through our registration system, Black Pug, and is accessible at the troop level by the troop's registration contact. Troops can use Black Pug to print blue cards, generate advancement reports, and export files for import into Scoutbook or Troopmaster, making it easy to manage and track each Scout's progress.

At Camp Durant, we strive to provide quality instruction for every merit badge offered. Completion information is accurate at the time of publication but is subject to change based on updates to official merit badge requirement books.

Unit Swim Classification Procedures

Swim classification is an essential part of Scouting America's Safe Swim Defense and Safety Afloat programs. Swim classification tests should be renewed annually, preferably at the start of each outdoor season.

To help reduce wait times and ease the busy Sunday check-in process, Camp Durant strongly encourages troops to complete a Unit Swim Classification before arriving at camp.
Conducting a Unit Swim Classification

Unit swim classification tests must be administered by one of the following qualified individuals:

- Scouting America Aquatics Instructor
- American Red Cross (ARC) Lifeguard
- Scouting America Swimming & Water Rescue–trained individual
- Other council-approved lifeguard, swimming instructor, or qualified professional

Test administrators should follow Chapter 5 of the Scouting America Aquatics Supervision Guide. Record each Scout's swim classification on the Unit Swim Classification Record and provide a copy to the Aquatics Director during your Sunday tour.

The *Swimmer* classification is required for aquatic merit badges, including Swimming, Lifesaving, Kayaking, Rowing, and Small-Boat Sailing, as well as activities such as stand-up paddleboarding and the Mile Swim.

Scouts looking to improve their swimming skills can also participate in our afternoon Learn to Swim sessions.

Complete swim checks ahead of camp to help your troop spend less time waiting and more time enjoying the water!

Unit Swim Classification Procedures Prior to attending Camp Durant (2027):

Swimmers must pass the following test:
Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting back stroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating.

Beginners must pass the following test:
Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

Non-Swimmers are anyone who has not completed the beginner or swimmer tests. Non-swimmers are still able to enter shallow water in a specially designated area.

SPECIAL NOTE: The Aquatics Director shall, at all times, reserve the authority to review or retest all participants to ensure that standards have been maintained.

Unit Swim Classification Record

If completed prior to camp, an electronic copy may be forwarded to: campdirector@ocscouts.com

This is the individual's official BSA Swim Classification (see Guide to Safe Scouting) as of this date. Any change in status after this date, i.e. from Non-Swimmer to Beginner or from Beginner to Swimmer, would require a reclassification test by the Camp Aquatics Director. Special Note: Whether swim tests are conducted at or away from Camp or at the point of activity, the Aquatics Director shall at all times reserve the authority to review or retest the swimming ability of any participant in Aquatics programs at Camp.

Leader should bring this sheet to Camp to present at Check-In.

Reasonable Accommodation Policy

Reasonable Accommodation & Golf Cart Policy

Camp Durant is committed to helping Scouts and Scouters with mobility challenges enjoy their camp experience safely. Units requesting the use of a motorized golf cart for a Scout or Scouter must submit a Reasonable Accommodation Request Form and receive approval from the Camp Director before use.

Camp Durant does not rent golf carts but can recommend a local vendor if a rental is needed.

Requesting a Reasonable Accommodation
Camp Durant requires supporting documentation with the completed Reasonable Accommodation Request Form. Documentation is not required to prove a disability but may include:

- A disability parking placard or card
- A Disabled Veteran ID card
- A doctor's note documenting a temporary or permanent mobility limitation, such as recovery from knee surgery or a broken bone

Documentation will be kept on file with the completed request form. Approved campers with disabilities must display a special pass issued by the Camp Administration Office on their vehicle.

Golf Cart Operation & Safety

Golf carts are intended solely to accommodate the transportation needs of approved Scouts and Scouters with mobility limitations. They may only be operated by approved adult leaders who possess a valid driver's license. All operators must review and follow the Reasonable Accommodation Golf Cart Safety Guidelines and adhere to the designated routes provided on the camp map.

- Golf carts must remain on roadways and approved routes. Off-road use is strictly prohibited.
- Operators must use sound judgment and avoid areas that pose a safety risk to passengers or others.
- Golf cart use on steep slopes, tall grass, unmown areas, and biking or hiking trails is strongly discouraged.
- Camp Durant may restrict golf cart traffic to roadways during wet weather or soft turf conditions to prevent damage to camp property.

Compliance & Responsibility

Golf cart use outside the scope of this policy may be considered dangerous to the operator, passengers, and other camp attendees and could result in the revocation of future camping privileges at Camp Durant.
The requesting troop assumes responsibility for all risks, damages, and injuries resulting from golf cart use.
Camp Durant's golf cart policy is available at www.campdurant.com and is managed by Camp Durant staff.
We appreciate your cooperation in following these guidelines, using good judgment, and helping us maintain a safe camping environment while protecting Camp Durant's grounds and facilities for future generations.

Under the ADA, an individual is considered to have a "disability" if he or she has a physical or mental impairment that substantially limits one or more major life activities, such as seeing, hearing, speaking, walking, breathing, performing manual tasks, learning, caring for oneself and working. An individual with epilepsy, paralysis, a substantial hearing or visual impairment is covered, but an individual with a minor, non-chronic condition of short duration, such as a sprain, broken limb, or the flu, generally would not be covered. Source: U.S. Equal Employment Opportunity Commission, U.S. Department of Justice Civil Rights Division "Americans with Disabilities Act Questions and Answers"

We encourage your suggestions and ask for your cooperation in providing accessibility and making Camp Durant a quality camping experience. If you have a request for further "reasonable accommodation" you may complete the attached form and this will be considered providing the request falls within the guidelines of this policy. Modification would be (for example) the ability to drive a golf cart within close proximity of a building and the like. If you have further questions, please contact the Camp Director at campdirector@ocscouts.org.
