2021 Spring Cub Camp

Theme: Escape the Great Indoors

April 23-24, 2021

April 30-May 1, 2021

May 7-8, 2021

Get ready for a great time at the Cub Scout Weekends at Camp McNeill. There will be three weekends for Packs to choose from. Registration is first come first served for Packs. There will be a participant limit for all weekends. Each weekend will have the same program and theme.

This event will be offering an optional Friday night camping opportunity and program operating on Saturday from 10:00am-5:00pm. Campers would be expected to be offsite no later than 5:30pm on Saturday after programming is concluded.

Camping Fees and Registration:

The cost to attend is \$35.00 per Cub Scout. Adults and siblings are \$20.00 each. A parent or guardian is required to attend with each Scout. T-shirts for the campout are available for pre-order for an additional cost of \$12.00. Pre-ordered t-shirts are available for pick up at camp during check-in. There will be additional shirts available in the trading post. Your size will not be guaranteed if you do not pre-order shirts. **All registrations and fees are to be submitted prior to coming to the campout.**

Camp Refund Policy:

Camping fees are transferable but not refundable.

Check-in:

Check in will be in front of the Camp McNeill Administration Building located next to the parking lot. Check in will be from 5:00 p.m. until 9:00 p.m. on Friday. Check in will be available on Saturday Morning from 8:00 a.m. until 10:00 a.m.

For the safety of all guests, vehicle entry to campsites will be strictly controlled. We will have carts available to help you carry gear to your campsites. A Pack trailer will be allowed to be taken to the site. No vehicles will be allowed to park in the site.

COVID Camp Protocols

- Everyone who arrives to camp will have their temperature checked, including the driver (even if it is for a drop off). Anyone who shows a sign of a fever will be turned away including those who rode in the same vehicle. It is recommended for those who carpool to self-check temperatures prior to departure, but everyone will still be temperature checked upon arrival.
- Those at camp must practice social distancing which is 6 ft apart from others.
- Our staff will be operating a stringent and regular cleaning schedule of all areas of camp throughout the day including program areas and supplies in-between uses.
- We ask that scouts bring their own water in a water bottle and we will provide them with two additional filled bottles of water.
- Our camp staff will be wearing masks when applicable. We encourage Scout participants to wear them too. Masks will be provided.

Campsites:

Campsites will be assigned based on Pack size and need. Some sites may host more than one Pack. The Fort and the Space Station will not be available for sleeping areas. Most sites will have a fire ring for Packs to use. If there is not a fire ring in the site, fires are to be built off the ground in a barrel. Packs must use fire barrels or pans to contain campfires.

Activities:

There will be lots of activities during the day. Some activities will center on Adventures or Awards. Scouts are encouraged to attend as many activities as possible. There will be BB shooting, archery, slingshots, and crafts. Scouts will be able to work on their Shooting Sports Award. Scouts who are participating in the Lions program will participate in wild card activities. Advancement activities will include:

Tiger: Safe & Smart | Tiger Tag

Bear: Roaring Laughter | Bear Picnic Basket

Webelos/ AOL: Sports | Aware & Care
