All attendees are expected to utilize **Leave No Trace** principles. Registered adult leaders are expected to do their part to inform their unit of these rules and enforce them.*

Arrival and Departure

1. At camp sites, Troop Scouts will be present to assist unloading gear from vehicle at front of campsite. After unloading, all vehicles must be moved to the designated parking area prior to setting up camp. This will ensure the safety of all campers and reduce the chance of damage to your vehicle. The unit trailer will be allowed to remain at the campsite, as long as it is detached from the vehicle and safely secured in place. Each unit is allowed only one trailer. **PARK ONLY IN DESIGNATED AREAS.**
2. Each unit is responsible for bringing its own food and beverages.
3. All garbage removal is the responsibility of each unit. All trash must be placed in the dumpster near the dining hall.
4. Prior to check out, all units should clear all equipment, trash, fire pits, and replace sod (if needed) at their campsite.
5. Troop Scouts will be present on Sunday morning after worship service to assisting in loading gear into vehicles. Please have all gear packed and placed at front of campsite prior to retrieving vehicle from parking lot.
6. Vehicle access to the campgrounds is limited to specific times only. An open or unlocked gate is not permission to drive into camp. The gate must remain unlocked in the event of an emergency.

Leave No Trace

7. Ground fires may not be allowed in camp due to burn restrictions, but if allowed they are only permitted in designated areas (established fire rings or an alternative is the use of a portable raised patio fire pit with ground protection. Firefighting equipment consisting of one (1) water bucket, one (1) sand bucket, and a dedicated shovel should be maintained at each campsite. **Each campsite has one fire pit.**
8. The cutting of live trees is not permitted. Use fallen, dead wood for fire only. Firewood is available at the campsites, but it must be split by a responsible adult.
9. Wastewater should not be disposed of within 50 feet of a campsite.
10. Be respectful of all nature and wildlife in the camp. Do not feed, collect, injure, or disturb nature or wildlife. This camp is their home, and we are just visiting.

Health & Safety

11. Cub Scouts and other youth are not permitted within 5 feet of a campfire unless they are cooking in the fire. Webelos Scouts and Arrow of Light are the only Cub Scout rank permitted to cook outdoors under leader supervision.
12. The only fuels allowed at Camp Boddie are **propane** and **butane**. Fuels cannot be stored in or near tents. Cub Scouts cannot operate fueled devices. Gas generators are not permitted (except for

use with medical devices and with permission of camp directors). Electrical outlets are available at each campsite. Please advise Camp Director if utilizing medical devices.

13. Each campsite must have designated areas for tents, cooking, and play. Cooking areas must be roped off. Individual families cannot set up cook stations next to their tents.
14. Closed-toed shoes **MUST** be worn about the camp at all times. This applies to all attendees. Cub Scouts participating in events must be in closed toed tennis shoes for safety.
15. Quiet hours are between 10 pm and 7 am. Scouts must remain in the campsites during these hours unless accompanied by a parent or guardian.
16. The registered unit leaders are responsible for their unit at all times. Each pack must have two-deep leadership and follow no one-on-one guidelines as set for in Youth Protection Policies. Follow tenting policies as detailed in Scouting's Barrier to Abuse found in the Guide to Safe Scouting.
17. **The buddy system is to be used at all times.** Scouts are not allowed to roam freely through the camp at any time. Refer to the Sweet Sixteen of BSA Safety.
18. No one is allowed to take shortcuts through the campsites of other units for both privacy and security.
19. Units and parents will be responsible for any medications for Scouts. Each unit should be equipped with an adequate first aid kit and must have current Annual Health and Medical Reports with them for every participant including adults and siblings.

Prohibited Items

20. No fires, grills, fueled lanterns, open flames, or tent heaters of any type are allowed in or near tents.
21. No pets are allowed at camp at any time. Service animals are permitted. Please notify the camp director if you have a service animal.
22. No personal transportation vehicles are permitted. Leave bicycles, skateboards, skates, scooters, ATVs, and golf carts at home (unless preapproved by the Camp Director). If one of these devices is required due to mobility issues, please notify Camp Director at least 7 days prior to event and have required course completion with vehicle.

Use of any tobacco products, including electronic cigarettes and chewing tobacco, may only be used in the designated tobacco use area, and never within the view of any Scouts or other youth. **The designated tobacco use area will be outside of the rangers gate (see map page 10).**
27. Any attendee violating these Rules and Regulations or acting in a manner inconsistent with the Policies and Principles of the Boy Scouts of America is subject to dismissal from the event with no additional notice and no refund of any fees.

Arrival Procedures

Unit leaders may check-in at 2 pm to secure the unit trailer and map out the campsite. General check-in is from 4:00 pm - 9:00 pm. Vehicles will be allowed into the campsite for drop off gear only. Troop Scouts will be at each campsite to assist in unloading gear at the front of the campsite. Vehicles must then be parked prior to setting up camp. Only 2 vehicles are permitted to go to each campsite at one time. Please obtain a pass to be able to enter the campsites.

Vehicles must be parked at the Hodges building. **The gate will be closed at 9 pm on Friday, and no vehicles are permitted to enter the camp.** (Just because the gate is unlocked or open does not mean anyone can drive into camp.) If arriving after 9 pm on Friday evening, you can carry in your gear and check-in at the Hodges Building at 9 am on Saturday. Vehicles are allowed to bring trailers and cookers to the campsites, but vehicles are not to be left at the sites. Please leave no trace at your campsite.

No one is permitted to arrive early without the permission of the camp director. The gates may be open to permit the ranger to work on-site, not for individuals to come and unload their gear and set up camp. The council and camp staff will not be responsible for property loss/damage or personal injury outside of the hours of the event.

Departure Procedures

10:00 am - 12:00 am Campsite Check-Out

No vehicles will be allowed to go to camp sites until after the Church service for the safety of our scouts and their families. Please pack your gear and move it to the side of the road for easy loading prior to retrieving vehicle from parking lot. Troop Scouts will be at each campsite to assist families in loading the vehicles. The gate is left unlocked at night in the event of an emergency so emergency vehicles can enter. If individuals wish to leave earlier, they must pack out their gear to their vehicles. Please follow the Leave No Trace principles by remaining on the roads and not driving into campsites. Only 2 vehicles are permitted to go to each campsite at one time. Please obtain a pass to be able to enter the campsites.
