

# WINTER CAMP 2024

CAMP WILDERNESS • PARK RAPIDS, MN

Scouts can attend Camp Wilderness all winter long! Our heated cabins are available for rent on weekends during January, February and March.

Every cabin is heated with electricity. All cabins have mattresses in them with a shower and bathroom facility nearby. Some program weekends offer food service, but units are able to cook their own food. Camp Wilderness is filled with winter fun- there are 2 sledding hills, endless cross-country ski and snowshoe trails, as well as ice fishing (bring your own equipment)!

## POLAR CUB
