# SCOUTS BSA LEADERS GUIDE

Welcome to our **newest** Council Merit Badge Event! NDSCS in Wahpeton provides an outstanding setting for Scouts to gain real, hands-on experience from experts in their fields. This event is a great opportunity for Scouts to explore topics they're passionate about while learning from knowledgeable instructors.

Scouts should plan to wear their Class A uniform and bring a writing utensil to most classes; however, badges such as Welding and Farm Mechanics may require alternate clothing. Please note that some merit badges have pre-requisite requirements. Scouts who wish to complete the entire merit badge during the event must bring verification of any completed pre-requisites. Any updates or changes will be added on the registration site and emailed to registered participants. Blue cards will be provided to the registration contact after the event via Blackpug. You will receive an email when they are ready to view.

**Questions?** Please contact **Jefri Jones** at [jefrij@outlook.com](mailto:jefrij@outlook.com) or at (701) 373-1420.
