

Northern Lights
Council Presents:

Conservation Day of Service

**SCOUTING IN ACTION.
SERVICE WITH PURPOSE.**

As part of the Scouting America, America 250 initiative, Scouting units council wide can take action on **June 13th** through "Hands on" conservation projects in their own communities

Project Ideas:

- Trail work • Tree planting
- Habitat restoration
- Shoreline & watershed projects • Duck Boxes
- Monarch Pollinator plantings and more!

More project ideas, contact and resources are available at NLCBSA.org

What Units Do:

- ✓ Chose a local conservation project
- ✓ Register your unit at nlcbsa.org
- ✓ Plan and lead your conservation projects
- ✓ Document hours and tie it together with advancement
- ✓ Make a real impact on our environment!
