# NORTHERN LIGHTS COUNCIL MEDORA SERVICE PROJECT

## SUMMER 2026

We are partnering with the Theodore Roosevelt Medora Foundation again for the 2026 season. Annually, the TRMF will host troops and crews beginning in June and running through September. The Scouts will provide volunteer service each day, ranging from flag raising and lowering ceremonies in town and participating in other community service projects as needed. **This is an incredible deal for troops who want to spend a weekend in the North Dakota badlands and give back to the local community! Sessions fill up quick - don't delay!**

### MORE INFORMATION

Troops of 10 Scouts and 2 leaders for each session will be the guests of the TRMF (fees added for Scouts/adults beyond 10 & 2). Troops should register on the council website at least one month before their desired session! Medora will provide a campsite at the Medora Campground, Mini Golf coupon, swimming at the Elkhorn Quarters Pool and tickets to the Pitchfork Fondue and the Medora Musical. Other attractions and meals will be the responsibility of the troop.
