

JOIN CAMP WILDERNESS SERVICE CREW

If you will be 16 years old before June 1st, you are eligible.

Come to Wilderness this summer and work with the Service Crew Director! Each Service Crew will work on age appropriate projects throughout camp under the supervision of Ranger Adam. These projects can be inside or outside depending on the needs of camp, weather, and number of people available to help.

Each Scout that successfully completes their week as a service crew member will receive a \$150.00 credit toward their 2019 summer camp fee at Wilderness.

Scouts will work each morning until noon at which time they will have lunch and will be allowed to enjoy open programming until 2:00 P.M. After open programming they will work until supper. Evenings will be available for Scouts to participate in the camp evening program.

At the end of their Service Crew week, they can remain in camp and attend their week of summer camp on a provisional basis or they can return home and attend camp later with their Troop.

Ranger Adam will be the supervisor and point of contact when they are in camp. This person will be an adult staff member that is responsible for all crew members.

Service Crew members will stay in wall tents provided by the camp. Participants can bring their own tents if they choose to. The camp will provide the meals.

A minimum of five Scouts are needed to run this program. A maximum of ten Scouts will be selected. They will arrive on Sunday and leave on Saturday.

Scouts unable or unwilling to complete the assigned projects will not be allowed to remain in camp for their entire week and will not receive a credit toward their camp fee.

All Scouts must follow the same guidelines as regular staff members. Conduct that does not conform to the staff understandings is grounds for immediate dismissal from camp.

Service Crew Scouts will not be allowed to leave camp property unless there is an emergency.

Medical insurance is provided by each Scout's family and the Scout's Troop insurance policy. These Scouts are not employees and are not covered under Workmen's Compensation insurance. Check with your Troop for their policy number.

SCOUTMASTER RECOMMENDATION

I am giving a strong recommendation for this Scout to participate in this program. I understand that he will be expected to work as a team member building trails and campsites. I feel that he has the work ethic and maturity to be on the Camp Wilderness Service Crew.
