

## NOMINATION FOR EXPLORER OF THE YEAR

The Explorer of the year should best exemplify Exploring Spirit by showing strong leadership skills, values, and character development.

Explorer Name: \_\_\_\_\_

Post: \_\_\_\_\_

Advisor: \_\_\_\_\_

This Explorer must be a registered youth in the Learning for Life program at the time of the Award presentation. There is no requirement for rank or position held. This Explorer does not need to have carried out a big project in the last year. We are looking for what one would consider for the lack of a better term, "The Poster person for Exploring".

The Selection Committee will only accept one letter from the Advisor. This letter must be turned into the District Scout Office by March 1, 2018.
