

Council Pinewood Derby

Turn in cars and register online by June 25, 2020

Earlier this year, many Cub Scout Packs were not able to conduct Pinewood Derby races because of the pandemic. The Northern Lights Council is doing something different to give Cub Scouts the chance to see their cars race!

We will be conducting a Council Pinewood Derby that will be broadcast over the internet.

Here is how it will work:

- Scouts deliver their derby car by June 25 to one of these locations:
 - Wanzek Center for Scouting, Fargo
 - Capital Credit Union Scout Center, Bismarck
 - Scout Service Center, Grand Forks
 - Ship them via FedEx or UPS to the Capital Credit Union Scout Center in Bismarck (address below)
 - Or to your District Executive ([see list of districts](#))
- Cars will be raced by council volunteers and the races will be recorded
- Broadcast times will be announced for each division (Lions, Tigers, Wolves, Bears, Webelos & Outlaw)
- Scouts can watch the recording of their division race
- Awards will be presented for first through third place in each age division
- Cars will be returned to your district executive and can be picked up at Day Camp or the August Roundtable (the council will not ship the cars back to individual Scouts)
- Patches will be sent to every Scout that participates (after the races when we know how many Scouts participated)
