

Eastern District Spring Camporee Presents!

Northern Lights Council, BSA

The Past comes alive!

Back to the Civil War!!

The Adventure:

“Scouts depart for their annual Spring Camporee, but as their travels begin, a large storm overtakes the scouts and their leaders. Upon clearing the storm, the scouts and their leaders soon realize that they are no longer in the present as cell service has stopped, vehicles are gone, and the once paved roads have turned to gravel and dirt. As they continue down the road, a fort appears garrisoned by soldiers in blue who appear to have come straight from the American Civil War. To navigate the new world these scouts find themselves in, they must learn what it takes to be a Union soldier in 1862.”
