

Cub Scout Freeze Out Presented By Canal District

“Tails From Our Past”

February 7, 2026
Camp Butler
9am-12pm

Program Explanation: Cub Scout Freeze Out is designed in station format sort of like the Klondike, but there will be no sled or points for the cubs to worry about. Their only job that day is to come out and have fun. The stations we have come up with use both scout skills and teamwork to complete them. We are looking for the cubs to have fun and learn from the scouters and each other.

Theme: "Tails from Our Past" is a folklore theme for the freeze out. The Lore Keepers at Camp Butler are looking forward to hosting Canal District. So if you want to wear costumes, and or clothes for this theme feel free to play the part. You are also able to come in your Class A or B uniform also. Remember it is probably going to be cold that day so dress for the weather.

General Information:

- In case of an Emergency First Aid will be located in Atwater Pavillion. This is also the warming center if you get too cold.
- This is a Winter Activity. Please dress for it. Bring extra gloves and socks in case the first ones get wet.
- Please Stay Away from the LAKE!!! We have no activities down there so no reason for anyone to be going that direction.
- Stay with your group.
- Sign in will start at 8: 15 am in Atwater Pavillion. Please have medical form A&B completely filled out.
- Early sign-out will be in Atwater Pavillion.

Stations:

- Sasquatch snacks
- Babe the Blue Ox Push
- Plant that Jonny seed
- Flag Folding and Plant Identification
- Native American Craft

Check In Starts at 830 am at Atwater
Pavillion. Opening will start at 9am.
