

Cub Scout Freeze Out Presented By Soaring Eagle District

“Tales From Our Past”

January 31st, 2026
Camp Manatoc
12:30pm-3:30pm

Program Explanation: Cub Scout Freeze Out is designed in station format sort of like the Klondike, but there will be no sled or points for the cubs to worry about. Their only job that day is to come out and have fun. The stations we have come up with use both scout skills and teamwork to complete them. We are looking for the cubs to have fun and learn from the scouters and each other.

Theme: "Tails from Our Past" is a folklore theme for the freeze out. The Lore Keepers at Camp Manatoc are looking forward to hosting Soaring Eagle District. So if you want to wear costumes, and or clothes for this theme feel free to play the part. You are also able to come in your Class A or B uniform also. Remember it is probably going to be cold that day so dress for the weather.
