	Mess Kit (Cup/bowl/plate/fork/spoon)		

# NYLT PARTICIPANT EQUIPMENT LIST

→ Put Your Name on EVERYTHING! ←

## \*NOTES:

All Participants should be in official Field Uniform (Class A) with all insignia in proper place before moving to campsite. *Do **not** bring a scout hat, neckerchief, or slide.*

Remove all medals and pins from the uniform prior to arrival so they are not lost at camp.

*\* You may wear shorts or long pants with short or long sleeves as dictated by the weather, personal preference, or medical reasons.*

*\*\* Wet shoes from morning dew and/or rain create the most common health problem on Course. Make sure your Boots are up to the task. The 3 pairs (minimum) of socks should help keep your feet dry too. No gym/tennis shoes.*

*\*\*\* Prescribed medication must be in the original pharmacy labeled container (including Epi-pens & inhalers); within a plastic zip lock bag with the completed medications form and turned in at check-in. Once checked-in, participants may keep Epi-Pens and emergency inhalers with them.*

*\*\*\*\* Backpacks will be used for getting gear from check-in to campsite. Due to the layout of the camp, participants cannot use suitcases, footlockers, or trunks to/in the campsite. Scouts are required to carry what they bring, including traveling to Outpost.*

## PROHIBITED ITEMS:

*No Electronics of any kind – cell phones, media players, video games, cameras, etc.*

*No Alcohol, tobacco, e-cigs/vaporizers, non-prescribed/ unregistered drugs in any form.*

*No Food, candies, snacks, etc. (The camp's raccoons love to raid tents with food; whether you're there or not).*

*No Hammocks – participants will tent camp.*

*No fixed blade knives*

## RECOMMENDATIONS:

If you don't already have some of the required equipment, consider borrowing it from a fellow Scout in your Troop. This is especially true for the tent and uniform items.

You will be given two red participant Activity t-shirts after check-in, already paid for as part of your Course fees. You will be wearing a red participant t-shirt all day, every day, during your Course week. If you know someone that has already been to NYLT, and they wear your size, consider asking to borrow their red participant t-shirts to have some extras.

There are usually two types of weather during summer NYLT Courses, very hot and dry, or very cool and wet. Both have a way of soaking your clothes. Please be prepared. Look at the weather forecast beforehand and plan accordingly. Please remember to check again right before the Course as the forecast may have changed.
