

Skill Seekers Day Camp FAQs

- **When/How does check in work as a day camper?**
 - *Check-in will be on Sunday (the day prior to your child attending their first class). This will allow your child to complete a swim test and listen to all the safety talks for the different areas. It will also allow your child to get information about where things are at camp and the process of getting lunch. You will arrive at the office and turn in/complete the Camper Code of Conduct. You will then proceed to the med-check station to turn in and go over your child's medical forms (Parts A, B, and C). Finally, your child will be led through the different safety briefings and have the option to complete the swim test. If your child intends to participate in any aquatics activities, it is required that they either take a swim test at camp or show proof of one within the last year.*
- **When/Where is daily drop off?**
 - *The Office will open between 8:30 and 8:45 every morning. Drop off will occur here, where your child will sign in every day.*
- **When/Where is pick-up?**
 - *Pick-up time will depend on when your child's last merit badge class ends, typically this is 5 PM. Once their class ends, they will make their way up to the office, where they will wait for their ride to arrive. When they know for certain that their ride is here, they will sign out. It may take your child 10-15 minutes to get from their last class to the office.*
- **How does my child receive their participant patch?**
 - *On Thursday, as your child signs out for the night, they will be given their patch.*
- **What if my child is in a merit badge class that requires an evening program?**
 - *If your child is taking a merit badge that requires an evening program, they will be unable to finish it at camp as it is some requirements will be completed after they are picked up. If they can bring proof that the requirement(s) they will be missing have been completed, the merit badge*

councilor may mark them off. Please expect any day campers taking a merit badge with an evening or overnight component to receive a partial.

- **What will my child do on Friday?**

- *Friday your child will have the opportunity to participate in a variety of activities including earning extra merit badges, earning awards, or fun challenges hosted by the different areas of camp. Please see the Friday Program listings attached to the instruction email sent about a week before your child's first day. Some of these activities require sign-ups ahead of time. These sign-up sheets will be in the office.*

- **What if my child wants to stay for campfire on Friday?**

- *Your child is welcome to attend the closing campfire on Friday night. They can either stay at camp through dinner (an \$8 dinner meal ticket will need to be bought in the office if they plan to eat dinner served at camp) or they can leave and come back. If your child stays, Friday is our family night, and you are welcome to come to join your scout for dinner. Meal tickets are \$8 per person over the age of 6.*

- **Is lunch provided?**

- *Yes, lunch is provided. If your child has dietary needs, please fill out the Dietary Needs Form. The Dietary Needs Form can be found in our registration portal.*

- **How do I get my child's med form back?**

- *On their last day of camp, your child will need to stop at the Med Lodge on their way to the Office to pick up their med forms on their way out.*

- **Where will my child sit for lunch?**

- *There will be a designated table in the dining hall for Skill Seeker Day Campers.*

- **What if my child comes for multiple weeks?**

- *If your child is attending one week as an overnight camper with their troop and another week as a day camper, they will need to come for check-in both times. If they are attending as a day camper for more than one week, they will need to inform the Office when they check in the first time, we will mark their paperwork, so that it is kept for their other week(s) of attendance, including med forms.*
