

Activity Acknowledgement Form

Scouting is a program that uses adventure-based activities to deliver character education, leadership development, and citizenship education. These activities include, but are not limited to the following:

- Patrol-based learning
- Climbing
- Archery
- Rifle/Shotgun Safety Training and Shooting
- Vocational Training
- Challenge Courses
- Aquatics Education
- Environmental learning
- Citizenship Education
- Diversity, Equity, and Inclusion training
- First Aid and Emergency Response training
- Hiking / Backpacking
- Service projects
- Fire Building
- Knife, Axe, and Saw safety
- ATV Safety Training
- Cooking
- Outposts / Primitive Camping
- Strenuous Activities

This list is not all-inclusive of activities Scouts participate in. For more information about the activities your child is participating in, please speak with your unit leader.

Parents/guardians have the ultimate choice in which activities their child participates. If there are any activities that you prefer your Scout does not participate in, please inform their unit leader, and have a conversation with your Scout before they arrive at camp.

This form is to acknowledge that you understand the types of activities that your child may participate in while in the Scouting program.
