What is NYLT?

National Youth Leadership Training (NYLT) is the premiere leadership training program for youth in Scouts BSA and Venturing. The course is a week-long exciting, action-packed training providing youth members life long leadership skills and experience they will take back to your home units. These life skills and situations will demand leadership of yourself and others. Scouts and Venturers will learn about communication, problem solving, public speaking/presentations, team development, working with adult leaders and administrators, and more.

It's all about what a leader must

BE - KNOW - and DO!

The NYLT course revolves around the concepts of what a leader must BE, what they must KNOW, and what they must DO. The key elements are taught with a clear focus on HOW TO. Your skills come alive during the week as your patrol goes on a Quest for the Meaning of Leadership.

Is NYLT like summer camp?

The quick answer is NO. This is a week long high intensity leadership course. Your scouts will not be with people they know. They will be expected to actively learn and perform, manage time, work as a team, and have fun in the great outdoors.
