

BEAUMONT

You're Invited to the 2025 Stewards Dinner

Over the past 22 years, the Stewards of Beaumont have had a positive impact on Beaumont Scout Reservation. During the early 2000s, when investment in camp was challenging, the Stewards of Beaumont took up the mantle to provide meaningful aid for projects that support the programs at camp. Generous contributions provided by the Stewards have created the funds needed to complete many projects at camp.

Please help us with your pledge of membership. Become a Steward of Beaumont by pledging your tax-deductible donation. Remember that our long-standing rule states that support of the Stewards program is in addition to your annual gift to the council.
