

# SAP CAMP

**SATURDAY, MARCH 8, 2025 10:00 AM - 4:00 PM**  
**BEAUMONT SCOUT RESERVATION**  
**2429 OH-45, Rock Creek, OH 44084**

Everyone loves maple syrup on their pancakes, but few know why it is such a premium product! At this year's Sap Camp, Scouts will learn how to tap a tree and just how much energy it takes to boil the sap down to make syrup from our very own trees.

Then we'll put on our entrepreneurial hats and develop a plan to help Scouts & Venturers fund their Scouting adventure by selling Scout's Own Maple Syrup.
