All materials will be at the assigned locations for the event, if there are supplies you believe are needed please notify Dan and Anthony. Station Mayors will need to check in Saturday morning by 8:00am at the Dining Hall before reporting to the station. As the Mayor of the station, you are expected to be at the station from 8:15 am-12, and then from 1:45-4:45. Please contact Dan and Anthony ASAP to sign up for your stations.

Lets Make A Deal Stations: All Stations are worth 20 Points.

Deal or No Deal: Scouts will be given one supply tote to build a shelter with. If they wish, they can trade in the tote for one of three other totes of unknown contents to help them with the shelter. Not all totes will have useful items!

Wheel of Fortune: Try your hand at archery with a spin! Archery targets will be wheels of fortune.

Jeopardy: Test your knowledge of first aid in this jeopardy-style Q&A!

Let's Make a Deal: Patrols will participate in a challenging compass course.

Cash Cab: Patrols will hop onto 4-man skis; while moving, they will have to answer questions about our Council Properties and broader Scouting trivia.

Gold Rush: Search through camp for gold! Gold rocks will be hidden throughout camp, near station locations. Find the rock, take a picture, and use your Gold Rush sheet to mark its location. DO NOT MOVE THE ROCKS!

The Price is Right: All patrols will assemble in the dining hall by 7:00 p.m. to use their points gathered throughout the day to buy prizes in an auction.

1 vs 100: Patrols will be able to shoot rifles at targets intended to provide the utmost challenge.

Family Feud: All patrol members must participate in the 2-man saw before the log is cut. Patrol members will only be able to swap places at the saw once they answer a trivia question correctly. The first patrol to swap each member before the log is cut through wins!

Who Wants to be a Millionaire: Scouts will have multiple levels of knot difficulty to rise through. The station mayor will offer 4 knot options for multiple difficulty levels. Patrols will pick one knot, each person will tie it, and then repeat with the next level.

Gilligan's Island: Your patrol is on a deserted island, when you spot an empty canoe. Your patrol must bring the canoe to land without putting anyone in the water and using only materials around you. Good luck!

Worst Cooks In America: Lunch will be a cast iron cookoff in Gillwell Field. For the cookoff, the patrol will be using the ingredients that your patrol provides. The event will provide a secret ingredient to be included in your dish. Scouts are expected to light charcoal using their chimneys.
