OTHER INFORMATION

VISITORS:

We love having visitors out at camp to see what's happening! **We do ask that visitors ALWAYS check in at the office and get a wristband so that we have an accurate count of who is in camp in case of emergency.** It's best for visitors to come during Evening Program so as not to interrupt the program staff.

PETS:

Pets are not permitted in camp at any time during the camping season in compliance with the Ohio State Health and Safety Codes. This policy does not pertain to pets of the Ranger or service animal.

VEHICLES IN CAMP:

All Pack and personal vehicles must be parked in the main parking lot. In the event of a camp service vehicle or camp ranger vehicle traveling through camp, all people should stop and step off to one side of the road and face the driver until the vehicle passes. We have plenty of scouts, but none to spare – Please be safe when transporting Pack equipment to the site on the first day and picking it up on Day 4 morning. The speed limit on all camp roads is 10 mph. If you need to take supplies back to your site after Thursday, a camp vehicles will be available for your troop to borrow.

TRASH:

The dumpsters/dump truck are located near the Dining Hall. If you inform us of full trash bags, we can transport them to the dumpsters from your campsite.

Please make sure all bags are tied tightly!

LATRINES

The latrines at your campsite are your Pack's responsibility. If you need cleaning supplies or toilet paper, please ask and we will do our best to accommodate you. If you need a spray bottle of disinfectant or a scrub brush, a request can be made at the camp office. Remember to keep the lids down when not in use, as this allows the smelly gases to escape out the chimney and not into your latrine. If you need supplies please text Danny Burress.

SHOWER HOUSE/RESTROOMS

Flush toilets and hot showers are available as a convenience to campers. Shower houses are located by the Dining Hall. Occasionally unsanitary conditions require us to temporarily close the facilities until the responsible parties correct the situation. Shower houses are meant to supplement—not replace the washstands and latrines in the campsites.

LOST AND FOUND

Articles found should be deposited in the box at the Dining Hall. Unclaimed items will be either thrown away or donated to a clothing bank at the end of the camping season. We will make every attempt to return a well labeled item to its rightful owner. Valuable items (knives, watches, etc.) should be turned in to the Health Office or Office. Please remind your scouts to check the Lost & Found box often, or check with the Office if they are missing an item.

EMERGENCY INFORMATION

Avery Hand, Firelands Scout Reservation as a siren that can be heard from the entirety of camp. If you hear the the siren please report to the dinning hall as quickly and efficiently as possible. Most likely it is due to severe weather or we are in need of a head count.

LAKE ERIE COUNCIL SMOKING POLICY

It is not the intent of the Lake Erie Council to take issue with the smoking preferences of individuals. Lake Erie does acknowledge its responsibility to demonstrate a healthy lifestyle and personal responsibility and concern for the health of others and to the youth served by the Council.

Therefore, the following guidelines have been implemented at all Lake Erie council offices, stores, and camps.

- Smoking is prohibited in all offices, stores, and enclosed spaces at all offices and camp areas owned or operated by the Lake Erie council.
- At both camps, a designated smoking area will be identified in an outside area and in a location sufficiently apart from areas utilized by youth attending camp activities.
- The designated smoking areas for Camp Wyandot and Camp Avery Hand at Firelands Scout Reservation are the parking lots. Smoking in the campsites is strictly forbidden.
- Please “Field Dress” and dispose of butts appropriately in the trash receptacles.

The success of this policy will depend largely in part on the voluntary support and cooperation of all Lake Erie Council employees, volunteers, and guest.
