Your Patrol Leader's Conference

Course Director- Mr. John Zastawnik		
Orange Troop	Position	Green Troop
Mr. Sal Messina	Scoutmaster	Mrs. Jen Folkman
Isabel B.	Senior Patrol Leader	Jack M.
Joe S.	ASPL – Program	Kassandra G.
Matt M.	ASPL - Service	Chris L.

COVID-19 SPECIAL PROCEDURES

- Each participant must have either three washable masks (one per two days) or 5 disposable masks (one per day). Those who physically cannot wear a mask please contact the Scoutmaster.
- Each participant must bring their own tent. Even if participants live together, they will still need separate tents as they may not be in the same patrol during the course.
- Please remain in your vehicle upon arrival and wear your mask during the screening process. Every person's temperature in the car will be checked. If anyone in the vehicle has a temperature, no one will be permitted past that point. Once screened, only the participant will disembark from the vehicle.
- Medical forms A/B must be completed within two weeks of camp. Last year's Part C can be used. Be sure to include a copy of your insurance information.
- A temperature log must be kept by the participant for the 14 days prior to camp. Please provide the log during the check-in process.

Emergency Contacts

Parents who need to contact a Scout may contact the Course Director or Scoutmaster by voice or text. Messages will be relayed to the Scout in question and appropriate actions will be taken.

Course Director	John Zastawnik	(216) 367-2367

Electronics/Phone Policy

Restricted Usage

Cell phones and other electronic devices with screens are to be kept muted (silenced, no "buzzing", airplane mode, or powered off) during training hours (from the second you leave your tent, until you return). They may be carried by the participant or staff member but must remain stowed in a pocket or bag and remain out of sight during restricted hours.

Watches

The use of standard watches for timekeeping and morning/medication alarms is encouraged. Smartwatches are permitted so long as they do not become a disturbance. Application alerts and pop-up messages should be disabled during restricted hours.

Gaia GPS

During the course, you will need your phone for a geocaching event and will be using the Gaia GPS app. There is a paid-for and a free version of the app. **YOU WILL ONLY NEED THE FREE VERSION FOR COURSE!!!!**

Do Not Bring: Anything not shown on the above list, including extra food or drinks. The course will provide any additional equipment required. This is not Summer Camp so all electronics, games, and toys should remain at home. Lighters, fireworks, or other explosives, firearms, or other gun-related items (BB, pellet, or squirt) are absolutely not permitted. If in doubt, contact the NYLT Scoutmaster. If you're not sure something is okay to bring, it probably isn't!!

Cellphones are to be used explicitly for GPS purposes; they should not be used for any other reason. If a participant wishes to contact a parent, they can do so through the Scoutmaster or another adult leader.

Additional Items Needed for Outpost Camp

- Participants will backpack up to a few miles to an Outpost Camp so they will need a hiking style backpack or daypack to carry their gear. Their duffle bag should not be used for this event
- Each patrol will spend the night in a tent, so we ask that each Participant brings a lightweight 2 or 3-man tent. If you do not have access to a tent, please see if you can borrow one from your home unit. Otherwise, please contact the NYLT scoutmaster.
- For Outpost, participants can bring hammocks, but we recommend bringing a tent just in case because the weather for any scouting event is not always friendly.

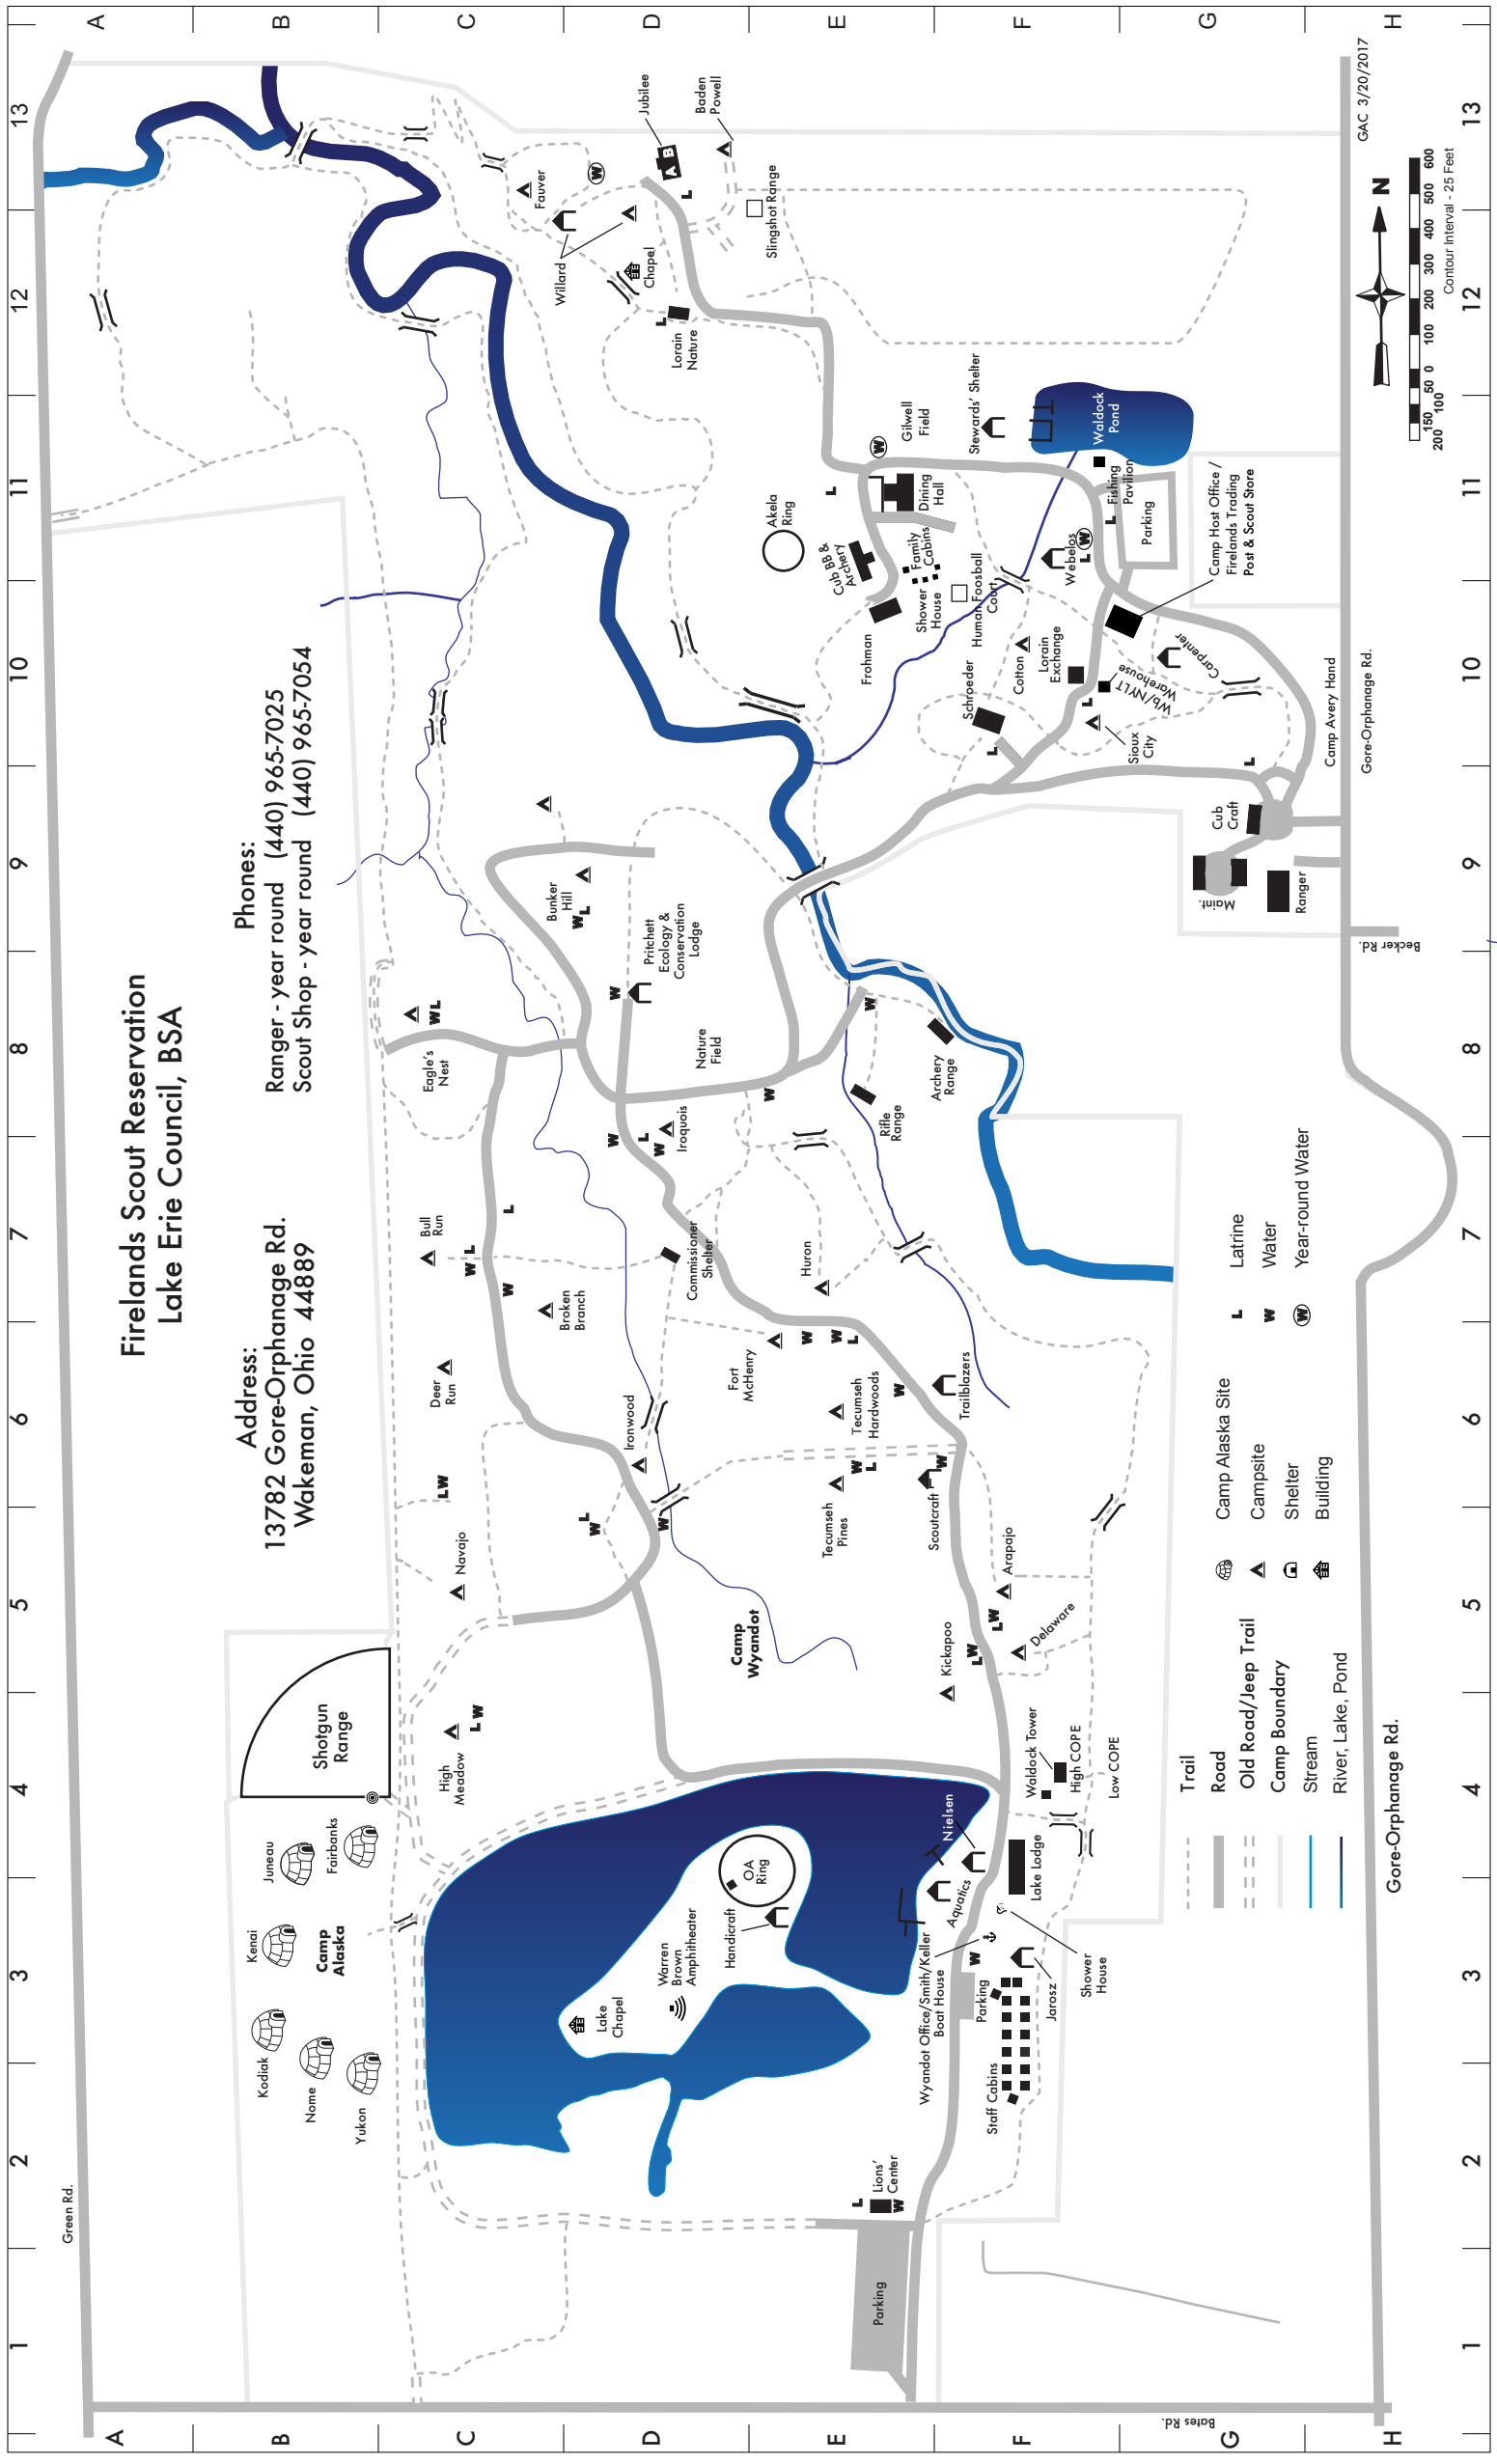

Departure

- All Participants must depart between 8:30 PM – 9:30 PM on Friday July 24, 2020.
- Please remain in your vehicle (masked) and we will call your Scout forward in the order in which you arrive.
- Medicine and medical forms will be returned to the Scout before their departure.
