Event Philosophy ~ Rules & Guidelines

Purpose of the Klondike is to Demonstrate Winter Camping, Scout, & Survival Skills in a fun, safe & competitive manner with as equal a playing field as possible. Therefore, the following rules shall apply:

1. Camp sites are to be reserved with units contacting Ken Fortuna at LECKlondike@gmail.com to request a site. Sites will be allocated according to size of Troops and available sites. Multiple Units may be assigned to each campsite. **Please send your troop #, 1st 2nd & 3rd choices for camp site and the number of attendees with your request.**
2. No Scout will be permitted to participate in any event if not properly dressed and dry. If Scouts get unnecessarily wet, dirty, or snow covered as a result of rolling or playing in the snow, mud, or water, they will be disqualified from participating in events. Absolutely no one will be allowed to participate in the Klondike Race if not properly dressed & booted, *i.e.*, no spandex, T-shirts, and non-winter sock & boot type footwear.
3. Groups of Scouts (Patrols) participating in events will be broken into two (2) categories by rank: Scout ~ 1st Class & Star ~ Eagle, with flexibility for those Troops without sufficient numbers to field multiple patrols by rank categories, or possibly some fashion of handicapping. Ventures will participate as one group.
4. Participating Troops/Crews are encouraged to tent camp.
5. Volunteer Scouts (Senior Staff) are to set up and run events where appropriate. It is hoped that each participating Troop will provide two such Senior Scouts to be teamed up with Adult Event Mentors for this purpose.

PARKING SPACE IS LIMITED. WE ARE ASKING ALL UNITS TO CARPOOL AS MUCH POSSIBLE.

Scouts and Venturing Patrols are to Bring:

1. Sled for each patrol ~ can lash event items to regular sled if need to.
2. 50 feet of ¼ inch and 50 feet 3/8" rope.
3. Six shorter pieces of rope (10-12' long)
4. A large tarp with grommets
5. Please bring water for your patrol use.
6. Dutch Oven if needed for each competing patrol in Jimmie O'Dell's Gold Griddle Cooking Competition
7. Saturday lunch for Troop and Troop Sponsored Webelo Patrols
8. Two copies of recipe on index card, duty roster & ingredients for each Patrol's Jimmie O'Dell's Gold Griddle lunch
9. Mess kit, Sierra cup, utensils for each Scout and all utensils needed for cooking.
10. Ingredients for dinner at campsite or prepay for dinner in Dining Hall
11. Patrol Flag on pole for each competing Patrol
12. Sack to hold Klondike Gold Coins won during events & to bring to Council Fire Auction
13. One can of soup each (no cream or seafood based – to be turned in at registration)

A SPECIAL THANKS GOES OUT TO ALL STAFF AND VOLUNTEERS WHO HAVE MADE THIS EVENT POSSIBLE. YOUR TIME AND DEDICATION IS INVALUABLE IN CARRYING OUT THE TIME HONORED TRADITIONS OF SCOUTING. THANK YOU.

Health & Safety

Medical Forms

A health history, revised within the past *12* months is required of each camper and adult regardless of age. All campers who are at the Camp Stigwandish Klondike Derby are required to have a medical form on file with their units. **A copy of all the medical forms must be at camp with the Unit Leader in case of an emergency.**

All participants in all Scouting activities complete Part A and Part B. Give the completed forms to your Unit Leader. This applies to all activities, day camps, local tours, and weekend camping trips less than 72 hours. Update at least annually.

Part A is an informed consent, release agreement, and authorization that need to be signed by every participant (or a parent and/or legal guardian for all youth under 18).

Part B is general information and a health history.

Campers and adults without proper medical forms are not permitted to remain in camp.

Make sure to double check the following items on health forms before coming to camp:

Emergency name, address, and phone number are listed on the medical form.

Parent or guardian signatures and dates (current year).

All immunizations must show the most recent date.

Medications

The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. Also, if state laws are more limiting, they must be followed. BSA camp standards may modify this for specific camp operation.

First Aid

An individual trained in first aid will be available at all times. For emergencies, the camper will be transported to a nearby hospital where a physician is on duty. All registered Scouts are covered by minimal accident insurance (which is secondary to the family's own insurance plan). Please report all injuries and illnesses immediately to the Health Officer located in the Rotary Building.

Alcohol, Illegal Drugs or Stimulants

It is the policy of our council that under no circumstance shall alcohol, illegal controlled substance or paraphernalia associated with illegal substances be brought onto, held in possession, or consumed on any camp property. Any violation of this policy shall be cause for immediate removal from camp as well as referral to the appropriate legal authority. The Council reserves the right to require testing of those suspected of the use or abuse of such substances. In addition, those who knowingly withhold information related to the use and/or possession of alcohol or a controlled substance on camp property shall also be removed from camp. The above policy, and consequences so noted, shall not be open to arbitration or negotiation.

Firearms at Camp

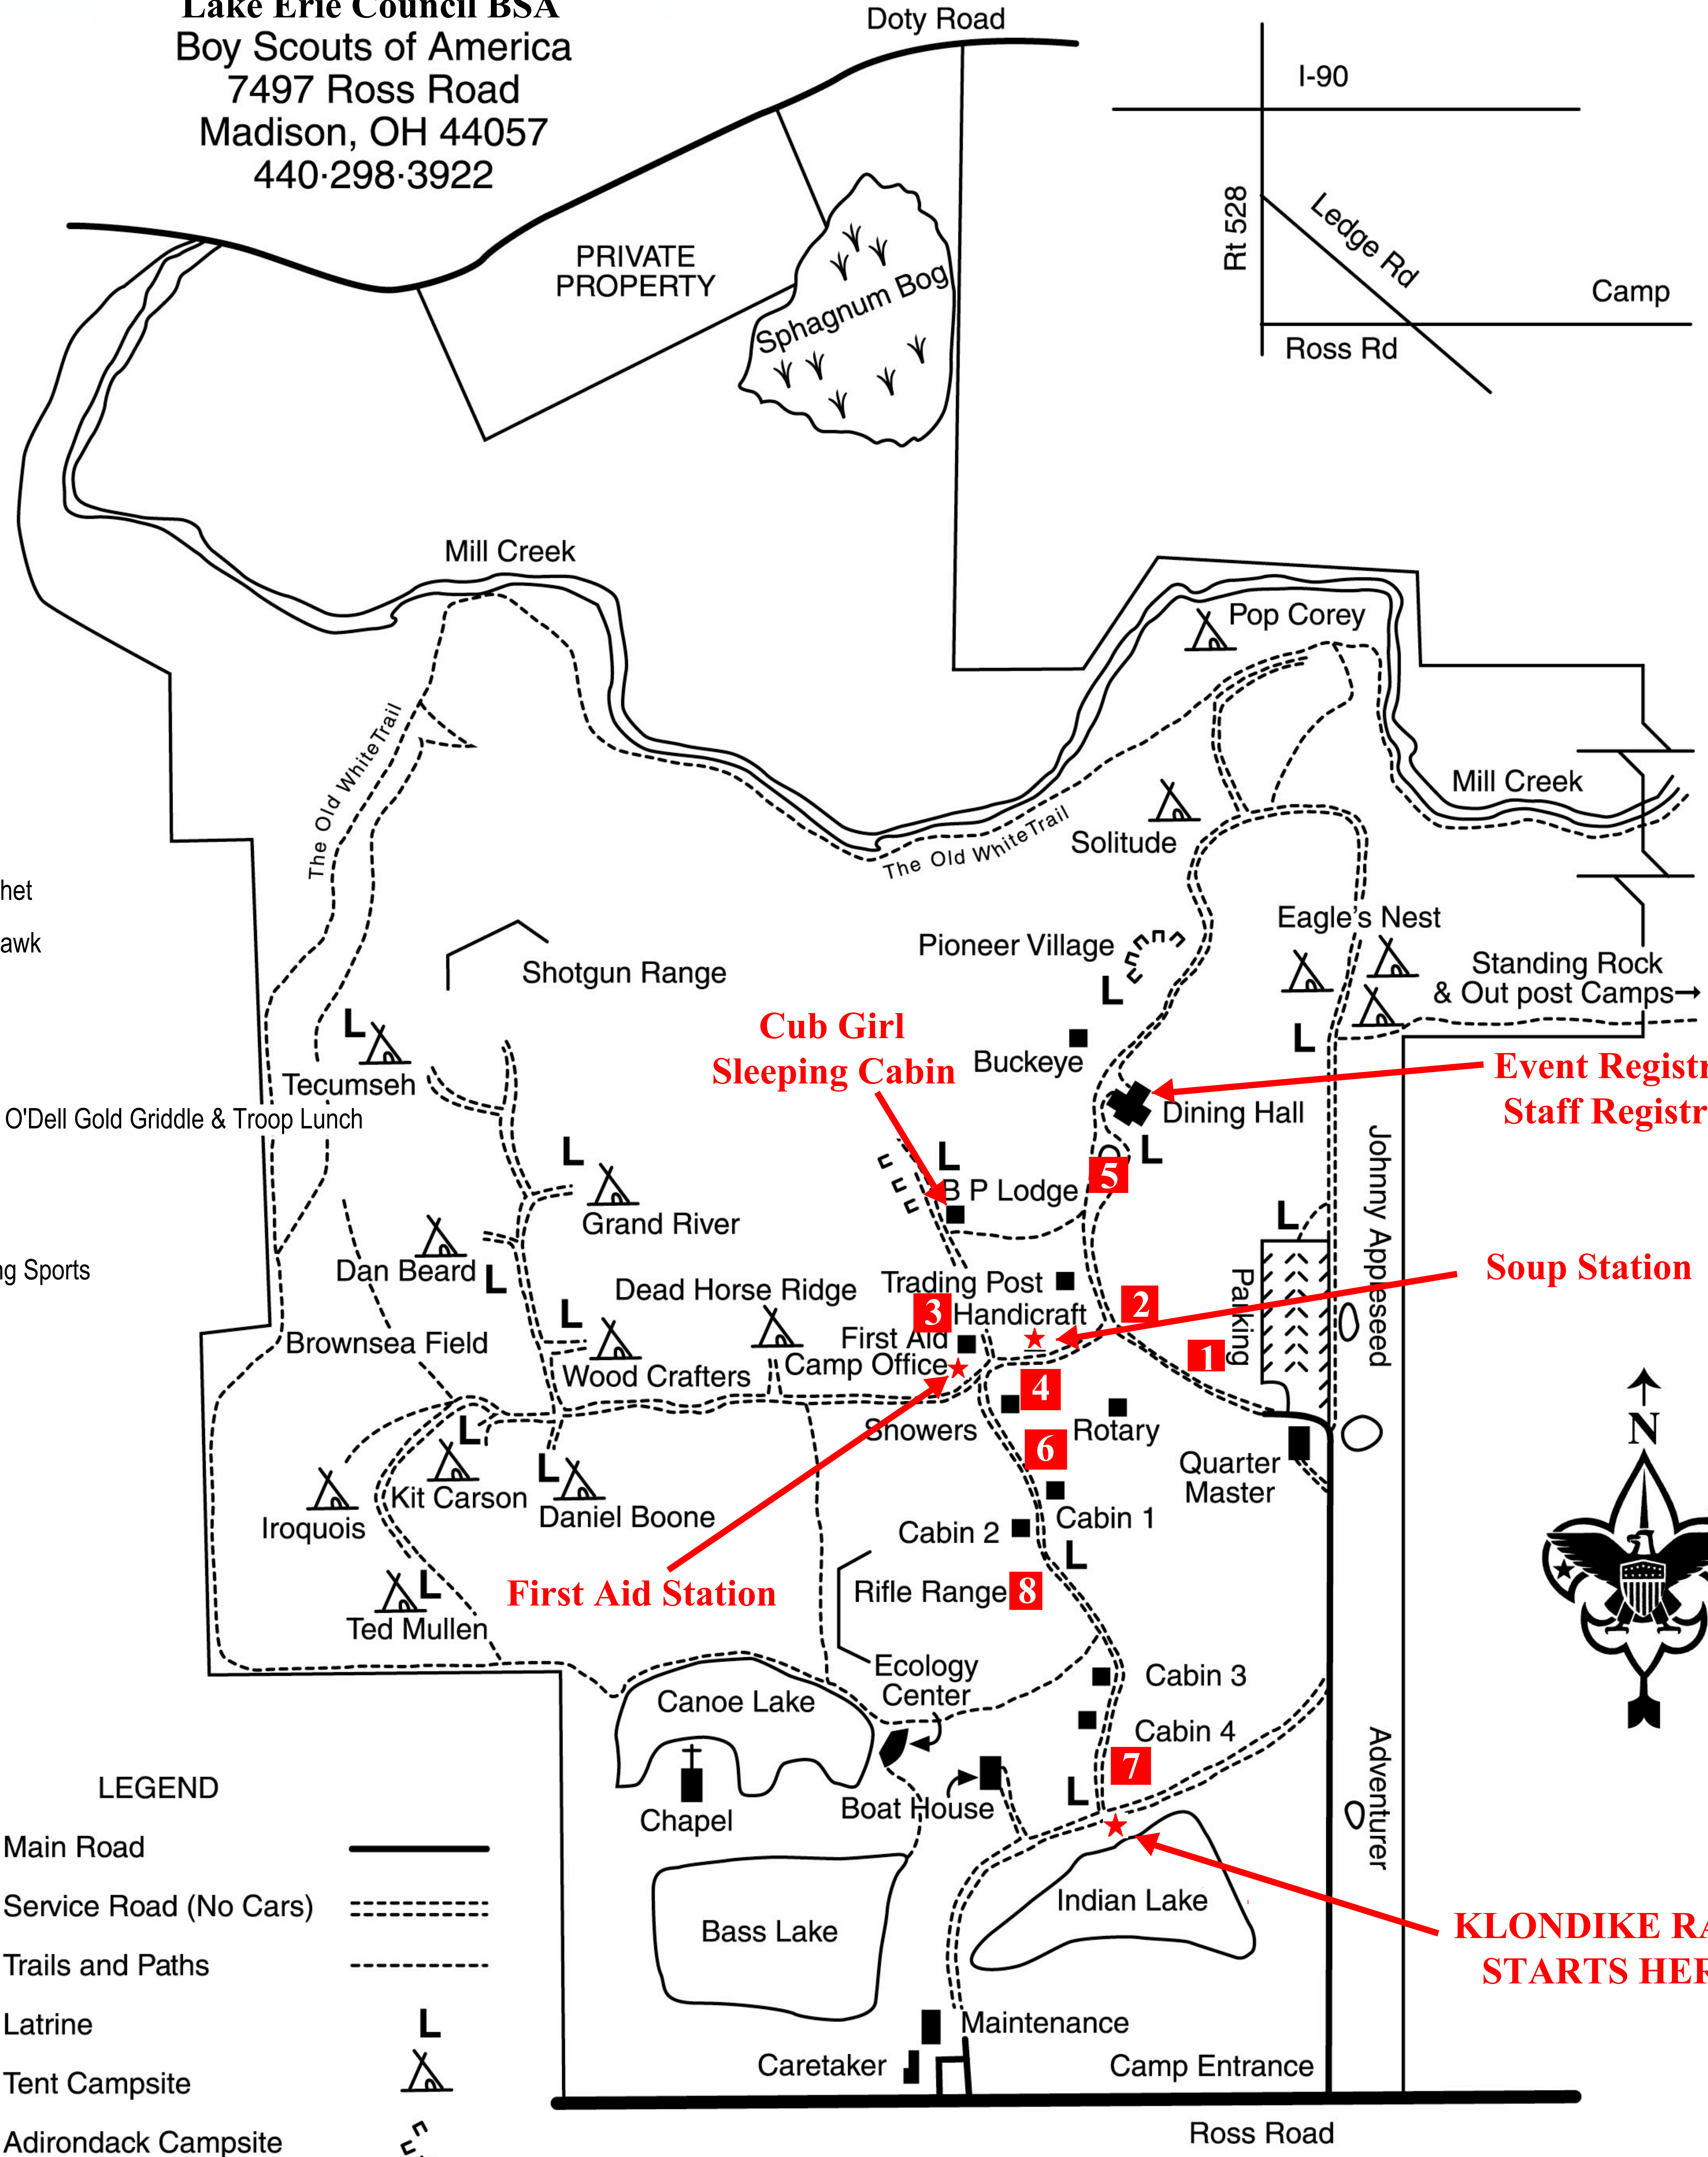

Except for law enforcement officers required to carry firearms within their jurisdiction, firearms shall not be brought on camping, hiking, backpacking, or other Scouting activities except those specifically planned for target shooting under the supervision of a currently certified BSA national shooting sports director or National Rifle Association firearms instructor.
