Medical Forms & Health Officer: As stated in the Guide to Safe Scouting, leaders should have the Annual Health and Medical Form for each unit member participating in the event. These are especially important to have if a Scout will be attending the event without a parent. The form can be downloaded from the Lake Erie Council website. The Health Lodge is located on the Wyandot side; the health officer will be on staff 24 hours a day throughout the weekend.

Adult Participation: In order to comply with Youth Protection "Two Deep" guidelines, all members of your troop must have Youth Protection. Two adults over the age of 21 must be registered BSA leaders.

Alcoholic Beverages and Drugs: Possession and/or use of alcoholic beverages or drugs are prohibited. You will be asked to leave the Camporee if found with either and may be prosecuted.

Parking, Driving & Trailers in Camp: Please take only 1 vehicle per unit to your campsite. Try to stay on the road to avoid getting stuck.

Check-Out: Schedule a time with Joey or DJ at the office. That is the time you should be fully packed up, campsite patrolled. One of the event staff will arrive to inspect your campsite. Once your site is inspected, you will receive your patches. Once you receive your patches, you will be cleared to head toward the exit, where the health officer will clear everyone for departure.
