BUSHMASTERZ CHALLENGE

FSR Fall Camporee
Friday Sept 30 - Sunday Oct 2, 2022

Event Chairs:

Erin Bringman ebringman72@gmail.com

Genny Espinoza genny608@gmail.com

Note: All participants should be properly clothed for the weather!

If your Arrow of Light scout has already completed their AOL requirements - then the Camporee is a great way for them to experience Troop level Scouting.

Please pair with a Troop to participate in the Fall Camporee.

Also, if the participant is an **Arrow of Light** scout there are a few stations they are **NOT** permitted to participate in due to BSA scouting rules. There are alternative stations available for those stations. Wristbands will be issued to those scouts and must be worn. AOL Scouts participating in Fall Camporee stations must be paired with, and camp with a Troop for the event.

Adults are expected to allow Patrols to function on their own as much as possible.

****Please bring a Participant Roster for this event - it must be turned in upon check in****

Remember - Firelands Camp vehicle traffic is one way - counter clockwise.
Please do not drive against the traffic pattern.

- Medical Forms and Health officer: leaders should have the annual health and medical form for each unit member participating in the event. These are especially important to have if a Scout will be attending the event without a parent. The Health Office is located in the Boat House. The health officer will be on staff 24 hours a day throughout the weekend.
- In order to comply with Youth Protection “two deep” guidelines, all adult members of your troop must have Youth Protection.
- Possession and/or use of alcoholic beverages or drugs are prohibited.
- Check Out:
 - If you are leaving Saturday evening, you must check out prior to leaving camp.
 - For Sunday checkout - We will need your Troop number, campsite location and desired check out time on Sunday. That is the time you should be fully packed up and campsite patrolled. One of the event staff will arrive to inspect your campsite. You are then cleared to leave camp.
 - Your unit will receive their patches Saturday night upon scheduling your Sunday campsite inspection and checkout time.
