

Hello and thank you for attending BSR Fall Camporee, B. And BSR Webelos Woods.

Please have Unit/troop/patrol representation stop at the dining hall to register for the event, please do this before going to your site as site assignments may change. This should take less than 10 minutes. Unless you have a lot of questions.

Please, one truck Trailer or one car at the site. Please park the rest of the vehicles in the parking lot.

Bring 2 copies of the unit roster

Please confirm whether you will be arriving on Friday or Saturday.

If you are camping overnight please email shrockj4@gmail.com if you have not already done this. This is to make sure no one got missed. Webelos, if you are staying with a troop, please let me know which troop

If you have already signed up as staff, thank you. We could also use a few volunteers to help out at the stations. If interested please email me at shrockj4@gmail.com

Stations can be attended by both Scouts BSA and Webelos except for a few. Webelos and AOL's can not shoot 22 rifles so we will have BB for them. Same with Tomahawks, we will have spatula throwing for the Webelos. Stations will be a reflect expected skill level. Example: SBSA would have SBSA level knots and Webelos would have Webelos/AOL level knots.

Due to the Limited number of volunteer staff we may need to adjust and/or substitute events at some of the stations
