

WOOD BADGE

What Is Wood Badge?

Reflecting on the best of over a century of Scouting experiences, Wood Badge draws upon the most current leadership models used by corporate America, academic circles, and other successful public and private organizations.

Wood Badge is designed to meet the advanced leadership needs of all Scouters including Cub Scout leaders, Scoutmasters and Assistants, Venturing Crew Advisors, Sea Scout Skippers, Committee Chairs, and Committee Members. Additionally, Scouters serving at the District and Council levels can achieve greater effectiveness through Wood Badge.

By taking Wood Badge, Scouters will acquire valuable tools to aid in the skills of listening, communicating, conflict management, project planning and leading change. Participants will better learn to understand and appreciate inclusion and diversity in our society. They will learn skills that will make them a better Scout leader, professional, and person. Units with trained leaders are able to deliver an improved program and a more meaningful experience for the youth Scouting serves.
