Ready, Set, SCOUT! is coming, and it's the perfect launchpad for scouts and parents new to Scouts BSA, and for experienced scouts looking to improve their skills! This engaging training event will introduce families to the Scouts BSA Organization, including Troop leadership roles, key terminology (what is a PLC anyway?), District events, and training opportunities. You'll also gain a clear understanding of the Rank Advancement Process, ensuring every Scout knows the path to success. Whether you're brand new to Scouting, an experienced scout/parent looking for a confidence boost, or an older Cub Scout looking to get prepared for Scouts BSA, this program is designed to make the transition into Troop life smooth and exciting.

From camping skills and gear essentials to cooking techniques, Ready, Set, SCOUT! covers the practical knowledge every Scout and parent needs to thrive. By the end of the morning, you'll feel prepared, empowered, and ready to dive into the adventure of Scouting with confidence. Don't miss this chance to build skills, strengthen connections, and set your scout up for success in Scouts BSA...because the journey is always better when you start strong!

**\$10 per registration (adult & youth)**

This event is organized by Gateway District, but is open to adults and youth from all districts!

This event is designed for both scouts and parents. Parents do not have to attend with their scouts, but it is highly recommended in order to help their scout have a strong start on their scouting journey.
