BSA Medical Form A & B and current YPT/SYT are required

BALOO is the Cub Scout leader training required for any Cub Scout den or pack outdoor event, including pack camping overnights and Webelos/AOL den overnights.

BALOO training is comprised of two components—an online component and this practical, hands-on component. Both components must be completed to qualify as a “TRAINED” Cub Scout outdoor leader.

The online component is available through the BSA LearnCenter at my.scouting.org and must be completed prior to the practical component. The practical portion of BALOO is an overnight camping experience and will cover GPS, aquatics, gear selection, nature & hiking, outdoor ethics, cooking & sanitation, first aid, and cub scout knife safety
