Payment Schedule: A payment schedule for MVC jamboree participants has been developed that meets the financial needs of the council without overburdening participants.

A second example would be a scout who registers on May 1, 2025. That scout will owe \$600 (non-refundable deposit) plus \$300 for the April 2025 payment at the time of registration. This scout's next payment will be due on June 30, 2025.

Cancellation Policy. The \$300 deposit is **NON-REFUNDABLE WITH NO EXCEPTIONS**. The council accrues expenses that must be paid and cannot be refunded. A refund of additional payments will only be authorized under the following circumstances:

- The Miami Valley Council is notified by email to amanda.schaedig@scouting.org by the participant that the participant is withdrawing from the Jamboree and a refund is requested.
- The participant requesting a refund identifies a replacement Scout and the replacement Scout is accepted by Miami Valley Council and makes the required payments according to the payment schedule.
- The replacement Scout may not have previously applied with the Miami Valley Council to attend the 2026 National Jamboree.
- In the event there is a waiting list, the Miami Valley Council will select the replacement from the waiting list in accordance with its waitlist procedure.
- Qualified refunds will be made to the original payer.
