

2026 National Jamboree Camp Card Fundraising Process

Miami Valley Council

Purpose:

To provide Scouts in the 2026 MVC National Jamboree Contingent the opportunity to raise funds toward their Jamboree fee by selling camp cards on consignment.

1. Eligibility

- Only registered participants in the MVC 2026 National Jamboree Contingent are eligible.
- Scouts must be current on their Jamboree payment schedule to participate.

2. Camp Card Checkout Procedure

- Camp Cards are available in bundles of 10 only.
- A Camp Card Consignment Form must be completed and signed by:
 - The Scout
 - A parent/guardian (if Scout is under 18)
 - The designated MVC staff/volunteer issuing cards

The form must include:

- Name of Scout
- Contact information
- Quantity of cards signed out (in multiples of 10)
- Date of checkout
- Signature agreement to terms

3. Sales Guidelines

- Each card must be sold for \$20. No discounts or bundling are permitted.
- Scouts may accept:
 - Cash
 - Checks payable to "Miami Valley Council"

Scouts are responsible for keeping accurate records of whom cards were sold to, and for the full amount collected.

4. Turn-In Guidelines

- Deadline: Within 60 days of signing out cards.
- Scouts must return:
 - All cash and checks collected
 - Any unsold cards (in sellable condition)

Partial bundles will not be accepted as "unsold" unless full card value is submitted.

- Turn-in must be made to the designated MVC staff or office with a Camp Card Turn-In Receipt, which will be signed by both parties.

5. Fund Credit

- 50% of the total funds collected will be credited toward the Scout's 2026 Jamboree registration account.
 - Example: Selling 20 cards = \$400 → \$200 credit
- The other 50% supports MVC program and camp operations.

6. Accountability

- Scouts are financially responsible for all signed-out cards.
- Cards not returned or paid for by the 60-day deadline will be assumed lost, and the Scout will be liable for \$20 per unaccounted card.
- Failure to turn in money may result in:
 - Suspension from further participation in the Camp Card program
 - Placement of a financial hold on Jamboree registration

7. Reordering Cards

- Additional bundles (in 10s) may be signed out after full turn-in of the previous batch.
- A new consignment form must be completed each time.
